RFP due by 4:00 P.M. on March 26, 2018
Pre-Proposal Conference: N/A

Proposals must be sealed in their entirety, and the packaging clearly marked with the Proposer's name, address, and RFP number.

SUMMARY: The Multnomah County Department of Health, Healthy Birth Initiatives Program is seeking Proposals from whom it may purchase Childcare and Respite Care Services. Healthy Birth Initiatives (HBI) is a program of the Multnomah County Health Department that works with African American pregnant woman, fathers and their families to encourage healthy birth outcomes and healthy children. The program uses a comprehensive culturally specific model to provide education and support to participating women throughout their pregnancies and until the children reach their second birthdays. HBI uses a family-centered approach that engages mothers, fathers, and other caretakers in supporting a child's development. Components of HBI include case management, health education, community engagement, facilitating service and collective impact.

In addition to providing services directly to women and their families, the program offers on-site childcare services to HBI parents for their children that attend HBI health education classes, groups, and other community events.
