Science on Tap Talk to Focus on Racism, Poverty and Public Health

Epidemiologist Dr. Frank A. Franklin, PhD, JD, MPH, Director of the Community Epidemiology Services at the Multnomah County Health Department, will explore the intersection of inequality and public health and the search for how to improve the well-being of vulnerable populations, at Science on Tap June 7. The event will take place at 7 p.m. (doors at 6 p.m.) at Alberta Rose Theatre, 3000 NE Alberta Street.

The cost of the event is \$15 general admission, \$8 student with ID, under 21 with parent/guardian only. There will be a full Bar, hand pies, pizza rolls, and an assortment of sweets and snacks available. For tickets or more information, visit https://www.viaproductions.org/events/alberta_june_7_public_health/.

The lives of many Americans are shaped by living with long-term trauma brought on by discrimination and poverty. Chronic exposure to adverse life events such as racism or racialization, gender-based prejudice, fewer opportunities for education and employment, high rates of incarceration and systemic inequity have tangible health effects on both individuals and communities. Although uniquely complicated, science can help navigate the scope of the mechanisms and their real-world impact, and hopefully help redress the harm.

This is a repeat of the talk given by Dr. Franklin at Science on Tap on January 16, 2018.

Starlight Parade Celebrates More Than 40 Years in Portland

The Rose Festival's Starlight Parade continues a longtime festival tradition from the early 1900s, when illuminated floats built on electric trolley cars made their way through the city on trolley tracks. From 8:30 to 11 p.m. June 2, participants will light up the night with approximately 100 illuminated entries along a 2.25-mile route. The parade draws more than 325,000 spectators to downtown Portland, and is also broadcast live from 9 - 11 p.m. on FOX 12.

From traditional marching bands and flood-lit floats, to glow-in-the-dark umbrellas and unique hand-built entries, you'll see the best of Portland's diverse community groups together in one eclectic pageant.

More about the Starlight Parade's route, which begins at NW Burnside and 9th, can be found at <http://www.rosefestival.org/parades/starlight-parade/event-info>.

The Starlight Parade begins at NW Burnside and 9th Ave. It then travels through downtown Portland and ends at Lincoln High School.

Beaverton Police Department Holds Free Child Safety Seat Clinic

On June 2, Beaverton Police Department, along with Safe Kids Coalition of Washington County will be offering a free child safety seat clinic. The clinic will run from 9 a.m. to 11:30 a.m. at Beaverton Police Department located at 4755 SW Griffith Drive, Beaverton.

Motor-vehicle crashes are the leading cause of death nationwide for children ages 1-12. In 2015,

1,353 children under age 9 were injured in Oregon traffic crashes; six children died. It's estimated that car seats may increase crash survival by 71 percent for infants under 1 year old, and by up to 59 percent for toddlers ages 1-4. Booster seats may reduce the chance of nonfatal injury among 4- to 8-year-olds by 45 percent compared to safety belts used alone.

For more information about the proper fit of a child safety seat please visit <https://www.nhtsa.gov/equipment/car-seats-and-booster-seats>.

No appointment is necessary, but arriving early is recommended. Each car seat check will take approximately 30 minutes.

Gresham-Barlow School District Seeks Applicants to Fill Board Vacancy

The Board of Directors of the Gresham-Barlow School District is seeking applicants to fill a temporary position on the board created by the resignation of Board Member Sharon Garner. The position is an at-large position.

Applicants must be registered voters and must have resided in the district for one year prior to the date of the appointment.

The appointee will serve until June 30, 2019. In May of 2019, an election will be held to elect an individual to serve the remainder of the position's term, which ends June 30, 2021.

Persons who wish to be considered for the appointment should submit a letter of interest in which they provide the following:

1. A brief personal history.
2. A history of public service, particularly as it relates to education.
3. Their thoughts related to the two or three biggest issues facing the Gresham-Barlow School District during the next 12-18 months and how they would address them.

Letters of interest must be submitted to the superintendent's office by June 25, 2018, at 5 p.m. Candidate interviews will take place on June 26, 2018, at 5:45 p.m. at the Gresham-Barlow School District Office, located at 1331 NW Eastman Parkway, Gresham, OR,
