Marijuana cont'd from pg 6

na has not increased in states that already have approved recreational use and point to the drug's other benefits, like as a safer substitute for painkillers amid the deadly opioid epidemic.

"It'll take the scourge of the old days when drug dealers sold heroin and crack and methamphetamines and marijuana — it was all lumped together" said Stu Carter, who owns Utopia Gardens, a medical marijuana shop in Detroit. "Now we can pull that away from that illegal drug world and make it much safer for the consumer."

In North Dakota, legalization faces an uphill

battle. No significant outside supporters have financed the effort, which comes as the state still is setting up a medical marijuana system voters approved by a wide margin two years ago.

The medical marijuana campaign in predominantly Mormon Utah, which has received \$293,000 from the Marijuana Policy Project, was jolted last week when Gov. Gary Herbert said he will call lawmakers into a special postelection session to pass a compromise deal into law regardless of how the public vote goes.

Medical marijuana also is on the ballot in

Missouri and while the concept has significant support, voters may be confused by its ballot presentation.

Supporters gathered enough signatures to place three initiatives before voters. Two would change the state constitution; the third would amend state law. If all three pass, constitutional amendments take precedence over state law, and whichever amendment receives the most votes would overrule the other.

An organizer of one amendment, Brad Bradshaw, said it is unclear if having three initiatives could split supporters so

much that some or all of the proposals fail.

"A lot of people don't really even have this on the radar at this point," he said. "They're going to walk into the booth to vote and they're going to see all three of these and

say, 'What the heck?' You just don't know how it's going to play out."

Salter in St. Louis contributed to this report.

Academy Award and the latter a nomination in the Lead Actor category. "First Man" is a relatively sober affair, which divides its time between chronicling the astronauts' perilous training regimen and speculating about the ever-stoic Armstrong's inscrutable psyche.

The movie's somber tone is set not long past the point of departure when Neil and wife Janet's (Claire Foy) two-year-old daughter Karen loses her battle with brain cancer. In lieu of mourning, he throws himself into his preparations for space flight, and his emotional unavailability puts an unspoken strain on their relationship.

Meanwhile, the risks associated with the Gemini and Apollo programs only further intensify Armstrong's palpable angst. After all, numerous astronauts died in accidents during training, including his close friends Ed White (Jason Clarke) and Elliot See (Patrick Fugit).

In terms of special effects, "First Man" tends to telescope tightly on what transpired in the cockpits, so brace yourself for lots of hand-held camera work from the astronauts' point-of-view, as opposed to the awe-inspiring God shots you ultimately get from the lunar surface.

A fitting tribute to an American icon best remembered as a humble,

vulnerable soul with human frailties.

REQUEST FOR PROPOSALS

MECHANICAL/PLUMBING/ELECTRICAL/FIRE SPRINKLER
New High School at Rock Creek
North Clackamas School District
Happy Valley, Oregon

Advertisement for:
New High School at Rock Creek
Bid Due: Oct. 26, 2018 by 2:00 p.m.

Lease Crutcher Lewis, LLC, serving as the Construction Manager/General Contractor (CM/GC) on the New High School at Rock Creek Project for the North Clackamas School District (NCS) is soliciting proposals from qualified Mechanical, Plumbing, Electrical (including low voltage scopes), and Fire Sprinkler Subcontractors for the preconstruction services and construction of the New High School at Rock Creek in Happy Valley, Oregon. Terms and conditions of the proposal are outlined in Lease Crutcher Lewis, LLC (CM/GC) "Request for Proposal", dated October 5, 2018, attached to and made a part of the Contract Documents.

Proposals will be received at the offices of:

LEASE CRUTCHER Lewis

Lease Crutcher Lewis, LLC, (CM/GC)
550 SW 12th Avenue
Portland, Oregon 97205

Proposals will be received at the offices of Lease Crutcher Lewis, LLC, (CM/GC), 550 SW 12th Avenue, Portland, Oregon 97205, until 2:00 P.M. PST, October 26, 2018 at which time the proposals will be opened with a NCS representative present. Proposals shall be clearly marked "New High School at Rock Creek"

The total building construction cost is projected to be approximately \$75 Million. The MEPFS scope of work is currently at a design development level, without fully defined costs.

The scope of work for this proposal includes mechanical, plumbing, electrical (inclusive of low voltage), and fire sprinkler work only (Design-Build only for fire sprinklers) for the construction of a new gymnasium building, performing arts building with full performance theater, new 2 story classroom wing, addition of a 2nd floor of classrooms on top of an existing classroom wing, some interior remodel of existing spaces, and a complete site package including a new sports stadium, bleachers, batting facility, parking lots, and circulation.

In accordance with Oregon Administrative Rule (OAR) 580-063-0020, Lewis will use the request for proposals (RFP) competitive procurement process to select and enter into a Contract with Mechanical, Plumbing, Electrical, and Fire Sprinkler firms. Plumbing and Mechanical RFPs may be submitted by companies individually or as a single package. Either way, costs must be separated by scope of work into Plumbing and Mechanical sections.

Lewis intends to enter into a contract with the selected firms for work that will initially include Preconstruction Phase Services only. There are provisions for adding Construction Phase Services at the sole discretion of Lewis through acceptance of a Guaranteed Maximum Price (GMP) by contract amendment.

Lewis, in partnership with North Clackamas School District, BORA Architects, and other design team members will evaluate each Proposal with respect to the evaluation criteria outlined in the Lease Crutcher Lewis, LLC (CM/GC) "Request for Proposal", dated October 5, 2018. At its sole discretion, Lewis may elect to short list and interview finalists in order to more fully understand the relative qualifications.

This RFP does not commit Lewis to enter into any agreement, to pay any expenses incurred in preparation of any response to this request, or to procure or contract for any supplies, goods or services. Lewis reserves the right to accept or reject any or all proposals not in compliance with the RFP or if it is in the public interest to do so.

All proposers must comply with the following requirements: Prevailing Wage Law, ORS 279C.800-279C.870, and be licensed with the Construction Contractors Board, ORS 671.530. Bidder shall indicate Resident Status per ORS 279A.120. If Required, proposers must obtain business licenses to perform work in the City of Happy Valley prior to mobilizing on job-site.

Proposals will not be considered unless RECEIVED by 2:00 P.M. PST on October 26, 2018, and fully completed in the manner provided by the "Instructions to Proposers"

Lease Crutcher Lewis, LLC (CM/GC) and North Clackamas School District are committed to taking action to encourage and facilitate the participation of minority, women-owned, and emerging small business enterprises (MWESB) in projects and encourage Subcontractors to provide similar opportunities for their subcontractors / vendors.

Contract Documents and the Invitation to Bid may be reviewed at the following locations: The entire RFP Package (including all project documents attached as exhibits) can be viewed via Lewis' website at : www.lewisbuilds.com Click "Contact" and then "Bid Opportunities" under Portland.
