SOMETHING NEW ON THE PACIFIC COAST!

BOSWELL'S Standard Fruit Dryer, ROOM HEATER, CLOTHES DRYER.

Iron Heater, Bread Raiser, Dairy Heater, &c., COMBINED!

POSITIVELY THE MOST PROFITABLE and useful invention of the age, combining cheapness, durability and economy, and can be applied to a greater variety of purposes than any other machine extant.

As a Fruit Dryer, It stands unrivaled, and is acknowledged by scientific men to contain the only true principles for drying fruit, and is so simple in construction that a novice child at once understands and operates it.

As a Room Heater, The Prismatic Cylinder concentrates the heat, ignites the carbon, and produces more heat than any other known device, which, being distributed by the perforated shield in double currents of hot air, will heat two, three, or even four rooms.

As a Clothes Dryer, IT HAS NO COMPETITOR, and wherever known is hailed with delight by the ladies, as the greatest labor-saving invention of the age.

In Lumber Drying, The principles of this invention, as applied, are invaluable and without competition.

FARMERS, BRING YOUR FAMILIES TO SEE THE Boswell Heater and Dryer. It is exactly what you want and need, regarding any dry house or kiln you may now have.
