Dispatches from the end of the Atchison, Topeka and Santa Fe road, on the western line of the State, say that buffaloes are so thick that the trains cannot be run with safety.

NEW YORK, Nov. 19.—The *Times* Washington dispatch says there are indications of a sharp attack in Congress on the new civil service appointment machinery, and adds that the election has rendered the friends of the measure stronger than ever, and they have the advantage of an appeal to the platform on which the party triumphed. Peter Cooper has addressed a congratulatory letter to President Grant, and wants an enforcement of the civil service rules.

A *Tribune* special says the Administration has twenty-five majority on joint ballot in the Alabama Legislature. Senator Spencer will be re-elected.

Senator Trumbull has written a letter declining to continue as Chairman of the Judiciary Committee. Senator Edmunds of Vermont will probably succeed him.

Nothing yet heard from the Pacific Mail steamship *Arizona*, fourteen days overdue. The company's officers profess confidence that she is struggling toward San Francisco under sail.

A discovery has been made of counterfeit coupons of the Union Pacific Railroad bonds in circulation, and an investigation is making to ascertain if the bonds had been counterfeited. A broad-street broker, deceived by the artistic excellence of the counterfeit coupons, paid them on presentation.

Lace shawls to the value of \$10,000, belonging to Henry W. Ducker, were found in a Duane-street auction-house and seized yesterday by the Government on the ground that they were smuggled. Ducker has been previously connected with smuggling. A registered letter, containing cut stones valued at \$31,000, was seized yesterday by the Postoffice officials. Proceedings have been commenced in each case to secure the confiscation of the goods and punishment of the smugglers.

Arrangements will be made this evening by the Religionists for the reception of 2,000 Jews expected to arrive in this country from Roumania.

NEW YORK, Nov. 16.—A Washington special says the city is filling rapidly with politicians, who comment severely upon the course of the President, in relation to the Civil Service rules as manifested in his remarks to the Pennsylvania delegation in regard to the appointment of the postmaster of Philadelphia. They allege that the strict enforcement of Civil Service rules will exclude many men from holding office who have just claims on the Republican party, and who can creditably fill the offices for which they apply; but nevertheless cannot pass a Civil Service examination.

BOSTON, Nov. 16.—The remains of two bodies were taken from the ruins of the fire on Wednesday. The remains are in charge of an undertaker. There is no way of identifying them, except by patches of their clothing. The body of the mother of Miss Martha Hutchinson, has been found among the ruins of Shreve, Compton & Co.'s store. Miss Hutchinson saved herself by jumping from a window. Search continues for other bodies.

A contribution of five thousand dollars was received to-day from the Chicago Police for the Boston police.

A perpetual injunction has been issued against the National Insurance Company of this city. S. J. Humphrey, Hiram Ruggles and N. H. Dillingham are appointed receivers.

PORTLAND, (Me) Nov. 16.—At a meeting of citizens held to-day, resolutions of sympathy were passed, a committee was appointed to obtain subscriptions in aid of the Boston sufferers.

CHICAGO, Nov. 19.—The Female College at Jacksonville (Ill.), belonging to the Methodist Church, was burned last night.

ST. LOUIS, Nov. 19.—The *Republican* learns by private advice that a vigilance committee has been organized in Lafayette county, in this State, for the purpose of lynching Colonel Turner, publisher of the *Lexington Register*, who shot and killed the editor of the *Lexington Intelligencer*, Mr. Graves. The Sheriff a few days ago called on the citizens to assist in preserving peace. A number responded, and Turner was protected. Since then the Vigilantes have notified the citizens who aided the Sheriff to leave the county, and they have deemed it expedient to do so.

NEW YORK, Nov. 19.—The steamship *Columbia*, of the Havana line, has been confiscated by the United States District Court on a charge of smuggling cigars.

LONDON, Nov. 19.—Many of the police having expressed indignation at the suspension of eighty members for insubordination some two hundred were suspended to-day. Insubordination is spreading, and it is feared that further suspensions will be necessary, and there is great excitement in consequence of the unguarded condition of the streets. The Strand was without police at eleven o'clock this morning.

NEW YORK, Nov. 19.—The Berlin Geographical Society has resolved to establish a permanent German Commission for the exploration of Central Africa, taking for a base the west coast, from about five degrees north to six degrees south latitude, at the mouth of the Congo river. Other German Geographical Societies and several German Governments are expected to cooperate by contribution.

CHICAGO, Nov. 18.—A Washington special says a positive denial is given by those who at least have a right to confidence of the Administration, to rumors that the President intends to recommend in his annual message, now in preparation, the revival of the project for the annexation of San Domingo, or that he intends to recom-

mend a policy looking to the acquisition of Cuba. The message will be delivered to Congress two weeks from to-morrow, and any doubts on these particulars will, of course be removed. But aside from that, it is learned that the annexation party in San Domingo, and their company, operating American railway, financial and other interests, are now all opposed to the revival of the annexation project. A concerted effort is being made to develop internal improvements there by building a railroad, etc. Americans who own property there, while favoring annexation, do not think this is the opportune time to urge it.

NEW YORK, Nov. 18.—The Committee of Seventy will decide to-morrow morning whether to continue in existence or not. Some members think it wise to preserve the organization, and to support the Mayor elect, Havemeyer, who being a Democrat elected mainly by Republicans, is without special backing.

Thurlow Weed is slowly recovering from his recent severe indisposition. A terrible disease has broken out among the poultry. Chickens are dying by hundreds. Chickens, geese and ducks in the market show signs of the malady. The disease appears to be assuming the form of a destructive pestilence among domestic fowls.

Droupy, the new horse disease, has made its appearance in all the city stables, and 50 per cent of the horses attacked are said to die. Horses attacked are mainly those worked while suffering from the epizootic. Stablemen are becoming alarmed, as they thought the disease was disappearing.

NEW YORK, Nov. 18.—By the breaking of a platform on the third floor of the new *Herald* buildings, this afternoon, five workmen were precipitated to the basement. Three of them it is believed, are fatally injured.

James C. King, formerly a stock broker, shot one O'Neil dead this afternoon. A family difficulty was the cause.

TORONTO, Nov. 18.—The Broad gauge grand trunk railway between Sarnia and Fort Erie, distance 200 miles, was changed yesterday from five feet six inches to four feet eight and one-half inches.

ELKO, Nov. 18.—To-day a man named E. Garnet, tollgate keeper, fifteen miles south of here, committed suicide by blowing his brains out with a revolver.

SAN FRANCISCO, Nov. 18.—The Committee on fire and water recommend the purchase of 20,000 feet of carbolized hose and two new engines.

NEW YORK, Nov. 20.—A Paris dispatch states that President Thiers has resigned. Gen. McMahon is appointed President pending the action of the National Assembly, there is great excitement in consequence.

HAVANA, Nov. 20.—A letter states that share holders of Cuba are taking every means possible to retain slavery, they have expended \$60,000 to secure from Minister Zeller the expression that while a single insurgent remains in arms, there shall be no reforms in Cuba.

RENO, Nov. 20.—An attempt was made last night to throw from the track the Virginia and Truckee passenger train, which arrives here about 11 P. M. Ties and telegraph poles were piled on the track in two places, between Franktown and Washoe, and but timely discovery by the engineer, the result must have been terrible. It is thought the outrage was committed by parties from Virginia, as they could be tracked in that direction, but for what object, unless plunder, is unknown.

NEW YORK, Nov. 20.—The Pacific Mail Steamship Company announces that a dispatch has just been received by them stating that the steamship *Arizona* was spoken on the 15th inst. off Manzanillo, on the coast of Mexico, with piston broken. The *Arizona* was in tow of the *Constitution*, bound for San Francisco. Her passengers had been transferred to the *Constitution*.

A dispatch from San Diego, Nov. 20 states that three steamers had just passed that place, and it was believed they were the *Arizona* and *Constitution* in tow of the *Costa Rica*.

SAN FRANCISCO, Nov. 20.—The anx-

ety about the safety of the steamer *Arizona* is removed. On the 14th she was spoken off Manzanillo, in tow of the *Constitution*. She had been disabled by the breaking of her piston, and all her passengers were transferred to the *Constitution*.

SAN FRANCISCO, Nov. 20.—Annexed is the copy of a telegram received at the Agency of the Pacific Mail Steamship Company to-day:

NEW YORK, Nov. 20.—Eldrige & Irwin, Agents San Francisco: It is reported at the office that the *Arizona* is disabled and was in tow of the *Constitution* on the 14th.

(Signed) A. B. STOCKWELL, President.

BOSTON, Nov. 20.—7 P. M.—A fire broke out in Rand & Avery's large printing house, at the foot of Washington street, the establishment will be destroyed. The adjoining buildings on Cornhill street were threatened. A general alarm was sounded, and the fire department of Charleston and Chelsea were called upon.

8 P. M.—The fire now is under control, and will be confined to the rag and printing houses.

WASHINGTON, Nov. 20.—Nelson, Minister to Mexico, had a long interview with the President this afternoon in relation to the affairs of that country. He speaks in praise of the new President of Mexico, particularly of his intelligence and desire to preserve and strengthen the friendship now existing between this country and Mexico. There seems to be no objection in the way of concluding the new convention, or extending the time for disposing of the remaining claims before the United States and Mexican Mixed Commission, the limitation of which will expire under the present Convention in July next.

It is stated that President Tejada is anxious for such extension, and will appoint an agent, in good faith, to carry out the design of Guzman, by whose action the proceedings for some weeks was interrupted, and preliminary steps are already taken for a new Convention.

CHICAGO, Nov. 20.—The *Evening Post's* Washington special says Secretary Fish authorizes the statement that he does not intend to accept the English mission or any other diplomatic appointment, upon his retiring from the cabinet on March 4th next.

EUROPEAN.

PARIS, Nov. 18.—President Thiers contributed one thousand francs for the relief of the Boston sufferers.

COPENHAGEN, Nov. 18.—Reports of destruction by the terrible gales last week, continue to be received from sea and land. Several villages of Schleswig-Holstein are destroyed, and a number of towns in Pomerania are seriously damaged.

PARIS, Nov. 20.—The Committee of the Assembly appointed to draw up a reply to the opening message of President Thiers, has by a vote of 9 to 8 elected the Duc De Pasquier De Andrieff, President.

The choice is regarded as unfavorable to the Government. The appointment of a Committee was moved by Deputy Liedel, which was instructed by the Assembly to look into the modus operandi of President Thiers, who will probably attend the Meeting to-morrow. All the different parties Assembly are holding private consultations. The President will have another meeting to-morrow with delegations from all factions of the Left.

PARIS—midnight, via London, Nov. 21.—6 A. M.—Marshal McMahon refuses the Presidency in case Thiers resigns. The National Assembly has given

its approval of the discussion at an early day, of the project of the restitution to the Orleans princes of their confiscated property.

BAD BRIDGE.—The long bridge over Lake Labish is sadly in need of repairs, or should be mended with a new one. It is full of holes, and it takes careful driving and coaxing to get any but the steadiest team to cross it.

This bridge has served its purpose for about eleven years, but its days are now about numbered. If the Supervisor of that district does not look after that bridge, the County Court should look after him.

DEATH OF A PIONEER.—We learn from the *Enterprise*, that John G. Campbell, Esq., died at his residence in Oregon City, very suddenly, on Thursday afternoon, Nov. 21st, of congestion of the lungs. Mr. Campbell was one of the early pioneers of Oregon, having come to this coast with Fremont's expedition in 1843. He was fifty-five years old. Mr. Campbell was one of the most generous of men, and many friends on hearing of his decease will drop a silent tear to his memory.
