

The Progress of the Nation in a Century.

One hundred and ten years ago there was not a single white man in what is now Kentucky, Ohio, Indiana, Ohio, India, or Illinois. Then, what is now the most flourishing part of the United States, was as little known as the country in the heart of Africa itself.

THE TERRITORIES.

The Bulletin condenses as follows: Dog poisoners are busy at Olympia. Walla Walla boasts of her shade trees. A library association has been organized at Walla Walla.

Saloon keepers in La Grande are notified by Postal Cards when the women crusaders would appear at their places of business and pray them out.
