dence, northeast corner Front and Division streets.
Being a graduate of the Physio-Medical, or Ortho-
pedic College, Cincinnati, Ohio, we are purely reform in our
practice, dispensing alike both mineral and vegetable
poisons. 1874

ARTIFICIAL LIMBS.
Patronize Home Talent!
THE undersigned gives notice to persons needing
Artificial Limbs or other surgical appliances that
he is prepared to furnish them to order, made in
Salem, Oregon. The articles are warranted to be equal
in workmanship, durability, perfection of fit, and in
every other respect, to the best Eastern made, and as
persons purchasing here are saved an expensive trip
East to secure a good fit, much money and vexatious
disappointment are saved. Almost every day com-
plaints are heard of parties owning Eastern-made
limbs that they do not fit, and consequently are al-
most if not quite useless to them. The maker should
see the person and fit the limb to him.
We will take pleasure in showing our limbs now in
use to any one concerned, and cheerfully answer let-
ters of inquiry concerning them. Do not fail to give
us a call before sending East.

OF LONDON.

FLORENCE.
Special attention is called
to the great improvements made
recently in this excellent Machine,
and to the new and elegant styles of
Cases added to our list.

FLORENCE.
For those who prefer a Ma-
chine feeling the work away from
the operator, we now have one of
that description, quiet, easy-running
and having all the other peculiar ex-
cellencies of the other style.

FLORENCE
Is sure to please. If there is
one within a thousand miles of
San Francisco not working well, I
will attend to it without any expense
to the owner. SAMUEL HILL, Agt.

FLORENCE
Is the only Machine that
can sew in more than one direc-
tion—having a reversible feed—a
great advantage in fastening ends
of seams, in quilting, etc.

FLORENCE.
