TO BREEDERS
OF **Trotting & Draft Horses.**
THE FOLLOWING STALLIONS WILL MAKE THE **SEASON OF 1875**
AT **FIVE OAKS FARM.**
The Trotting Stallion **AUTOCRAT,**
A dark-bronze chestnut, 12 years old, 15 1/2 hands high, bred by Chas. S. Dole, Esq., Crystal Lake, Ill.; is very handsome, goes in great style, and his gait is as perfect as could be desired. He was sired by that renowned Trotting Stallion **GEORGE M. PATOCHEN**, out of the noted mare **WANDERER**, whose sire was a **HAMPTONIAN** horse, and dam an **ABDALLAH** mare. **Autocrat** has had but little handling, yet he has shown a **FULL MILE IN 2:30**, AND **QUARTERS IN 34 SECONDS**. As a sire he is regarded as **SECOND TO NO HORSE** in the Northwest, his colts being uniformly fine stoppers, and a great proportion of them large and highly formed. In the **GREAT COLT STAKE** trotted at Chicago in 1871, there were 48 entries, nominated at yearlings, all the principal sires being represented; yet only five started, two of which were sired by **Autocrat**, and one of them got second, and the other fourth place in the stakes. Also in the **HARDINER HOUSE STAKE** for three-year olds, trotted at Dexter Park, Chicago, in 1873 with 14 entries, nominated at three years old, **MOTTO**, sired by **Autocrat**, walked over for the purse and furlongs.
The above, together with numerous letters received from owners of colts sired by him, fully establishes his reputation as a trotting sire.
Terms, \$50 to Insure.

THE PURE BRED
Imported Clydesdale Draft Stallion **YOUNG MARQUIS.**
A bright bay, 5 years old, 16 1/2 hands high, and weighs 1,900 pounds. He is a horse of great action, and immense substance, with remarkably good legs and feet, very compact and powerful, fine tempered, and sound constitution. He made a season near Toronto, Canada, and proved himself a sure foal-getter, his colts showing great uniformity of breeding and style.
PEDIGREE.
YOUNG MARQUIS was bred by Mr. John McKeich, Upper Ballin, Balfon, Stirlingshire. He was sired by "Marquis Graham," bred by Mr. Stokes, Drymen, Stirlingshire, out of a pure bred Clydesdale Mare, which gained the first prize at Kilmors, also at Clackmannanshire Society's Show for the best Mare of the Clydesdale breed.
MARQUIS OF GRAHAM was sired by Mr. Peter Crawford's bay horse "Lofty" which, when one year old, gained the 1st prize at Glasgow, 1st at Kirkintilloch, 1st at Highland Show held that year at Kelso, and he now sires to a great many prizetakers.
YOUNG MARQUIS is out of Mr. John McKeich's far-famed brood Mare, "Nancy," which gained the 1st prize at Strathendrick, 1st at Kilmors, 1st at Buchlyvie, and 1st at Drymen, for the best two year old filly of the Clydesdale breed. When four years old she gained the 2nd prize at Drymen, and the 1st at Buchlyvie. She was dam to two mares sold to David McElfobon, Invaroran, Linlithgowshire, in whose hands they gained a great many prizes at local, open and Highland Society's Shows. A filly out of one of these gained the 1st prize at Maryhill, 1st at Midlothian, 1st at Kirkintilloch, and the 2nd at the Highland Society's Show held that year at Glasgow, and was sold the following spring for 80 guineas to Mr. Lockhart, Stranraer, in whose hands, as a two year old, she gained the 1st prize at the Ayrshire Show open to all comers; 1st at Stranraer Society's Show, and unfortunately died, previous to which 120 guineas had been offered and refused for her.
NANCY is also dam to a two-year old filly which, in 1870, gained the 1st prize at the Stirlingshire Society's Show; 1st at Kilmors, and 1st at Buchlyvie, and who afterwards was purchased at 120 guineas by Sir William Stirling Maxwell, as a breeding mare.
YOUNG MARQUIS was never exhibited in Scotland but once, when he gained the 2nd prize at the Paisley Show, open to all comers.
Terms, \$40 to Insure.
Mares served by either of the above Stallions, and disposed of before foaling time, must be paid for as in foal.
Good pasturage will be furnished mares from a dis-escape or accidents at owner's risk.
