TO BREEDERS OF Trotting & Draft Horses.

THE FOLLOWING STALLIONS WILL MAKE THE SEASON OF 1875

FIVE OAKS FARM The Trotting Stallion AUTOCRAT.

A dark-bronze chestnut, 12 years old, 15 1/2 hands high, bred by Chas. S. Dole, Esq., Crystal Lake, Ill.; is very handsome, goes in great style, and his gait is as perfect as could be desired. He was sired by that renowned Trotting Stallion GEORGE M. PATCHEN, out of the noted mare WANDERER, whose sire was a HAMBLETONIAN horse, and his dam at ABRAHAM MARE. Autocrat has had but little handling, yet he has shown a FULL MILE IN 2:30, AND QUARTERS IN 34 SECONDS. As a sire he is regarded as SECOND TO NO HORSE in the Northwest, his colts being uniformly fine steppers, and a great proportion of them large and finely formed. In the GREAT COLT STAKE trotted at Chicago in 1871, there were 48 entries, nominated at yearlings, all the principal sires being represented; only five started, two of which were sired by Autocrat, and one of them got second, and the other fourth place in the stakes. Also in the GARDNER HOUSE STAKE for three-year olds, trotted at Dexter Park, Chicago, in 1873 with 14 entries, nominated at three years old, MOTTO, sired by Autocrat, walked over for the purse and forfeited. The above, together with numerous letters received from owners of colts sired by him, fully establishes his reputation as a trotting sire.

Terms, \$50 to Insure.

THE PURE BRED

Imported Clydesdale Draft Stallion YOUNG MARQUIS.

A bright bay, 5 years old, 16 1/2 hands high, and weighs 1,900 pounds. He is a horse of great action, and immense substance, with remarkably good legs and feet, very compact and powerful, fine tempered, and sound constitution. He made a season near Toronto, Canada, and proved himself a sure foal-getter, his colts showing great uniformity of breeding and style.

PEDIGREE.

YOUNG MARQUIS was bred by Mr. John McKeich, Upper Ballard, Bedford, Sterlingshire. He was sired by "Marquis Graham," bred by Mr. Stokes, Drymen, Sterlingshire, out of a pure bred Clydesdale Mare, which gained the first prize at Kinross, also at Clackmannanshire Society's Show for the best Mare of the Clydesdale breed. MARQUIS OF GRAHAM was sired by Mr. Peter Crawford's bay horse "Lofty" which, when one year old, gained the 1st prize at Glasgow, 1st at Kirkcubright, 1st at Hillhead Show held that year at Kelso, and is now sire to a great many prizetakers. YOUNG MARQUIS is out of Mr. John McKeich's far-famed brood Mare, "Nancy," which gained the 1st prize at Stratherrick, 1st at Kilmarnock, 1st at Kirkcubright, and 1st at Drymen, for the best two year old filly of the Clydesdale breed. When four years old she gained the 2nd prize at Drymen, and the 1st at Inchyvie. She was dam to two mares sold to David McGilbon, Invaroran, Linlithgowshire, in whose hands they gained a great many prizes at local, open and Highland Society's Shows. A filly out of one these gained the 1st prize at Maryhill, 1st at Kilmarnock, 1st at Kirkcubright, and the 2nd at the Hillhead Society's Show held that year at Glasgow, and was sold the following spring for 80 guineas to Mr. Lockhart, Stranraer, in whose hands, as a two year old, she gained the 1st prize at the Ayrshire Show open to all comers; 1st at Stranraer Society's Show, and unfortunately died, previous to which 150 guineas had been offered on refusal for her. NANCY is also dam to a two-year old filly which, in 1870, gained the 1st prize at the Sterlingshire Society's Show; 1st at Kilmarnock, and 1st at Inchyvie, and who afterwards was purchased at 150 guineas by Sir William Stirling, Maxwell, as a brood Mare. YOUNG MARQUIS was never exhibited in Scotland but once, when he gained the 2nd prize at the Paisley Show, open to all comers.

Terms, \$40 to Insure.

Mares served by either of the above Stallions, and disposed of before foaling time, must be paid for as in full. Good pasturage will be furnished mares from a distance, free of charge. Escapes or accidents at owner's risk. Address, S. C. REED, PORTLAND. Or W. W. WATSON, Hillsboro. March 5, 1875.
