Correspondence from the G. W. C. T.

COQUILLE, Oct. 28, 1876. ED. FARMER: On last evening I re-organized Coquille Lodge, No. 228, I. O. of G. T., and installed the following officers, viz: David Drew, W.C.T.; Mary Hayes, R.H.S.; Lida Willard, L.H.S.; Melville W. Drew, W.V.T.; Lake D. Wolford, W.S.; J. S. Hayes, W.F.S.; S. H. Emerson, W.C.T.W. Voxell, W.M.; Eubert Hayes, W.I.G.; Mary C. Coryell, W.I.; L. Dunn, W.O.G.; Annie Cox, P.W.C.T., and W. W. Hayes Lodge Deputy. Coos county has now four Lodges, three of which I have organized this week. I have not time to organize more Lodges now as I must away to visit those already at work. I have appointed Lake D. Wolford (the popular school teacher here) as State Deputy for Coos and Curry counties. Coquille City is making some improve-

ment, and your very excellent correspondent at this place (Dr. F. S. Matteson) and others are working with a hearty good will for the best interests of the people of this region. A magnificent river and rich soil are two items at least to commend this place. I will say more of the Coquille country in another letter.

Everything here is regulated by the tide except the rain and school—the first is coming all the time and the second commences whenever Prof. Wolford rings the bell.

Coquille City can boast of a hotel that can't be beat in the State. I desire to recommend the "Olive House" to all my friends who come this way. Another house here—the "Robinson," also bears a good name.

EMPIRE CITY, Oct. 31, 1876.

On the morning of the 28th inst., I bade Bro. L. D. Wolford, and my new made acquaintances of Coquille City, good bye, and started for other fields of labor. A sixteen mile ride during which time I enjoyed a "generous soaking" from a "gentle shower" brought me back to Sumner, where I was to "hang up" until the morning and then to take Bro. Bunnell's row boat down Catching Slough for Marshfield. "Being rainy and having nothing else to do" we called a special meeting of Homewood Lodge, and initiated two persons, Reuben Fenton and wife, formerly from Canemah. They will make good members. I then instructed the Lodge in the degrees. The meeting was a pleasant one, and the Lodge promises good work.

On Monday evening we had another public temperance meeting at Marshfield, which was well attended. Marshfield Lodge under the management of such energetic workers as Bros. Crain, Tupper, Monroe, Fuller, Haeker, and Sisters Butler, Haeker, Hall, Canfield, Sarah and Bessie Dunbar, McKnight and a number of others is sure to give a good account of itself.

I have appointed Bro. J. P. Tupper a District Deputy for this county. At Marshfield, I met my friends J. L. Johnson and wife, formerly from French Prairie. They are getting along finely. Their foster daughter, Ollie Ross, is with them. Ollie is a genial intelligent lady.

I met also W. I. Henderson, (brother of Sister McClung, our present Grand Cou.) He came up from California on the steamer Empire on her last trip. "Irve" is married again. He intends locating at Utter City. During the past week I have organized three Lodges in this county. Had I time to remain I could organize others, but there are so many Lodges in other localities to visit that I must leave this field and attend to that work. I leave here for Gardner on tomorrow if the "sun does not come out too strong." Empire City is dull—in fact it is dead. Instead of the old motto "Westward the star of Empire takes its way," we should write "downward the city of Empire makes its way."

SCOTTSBURG, Nov. 3, 1876.

ED. FARMER: Laurel Lodge, No. 178, comes to the front again to actively battle for our cause. It had held no meetings for several months, but last night after a public lecture we got a number of the old members together and mustered in six new ones and the Lodge starts out again with a good membership and an encouraging prospect.

The officers chosen and installed are as follows: W. E. Palmer, W.C.T.; James Butler, R.H.S.; Edith Palmer, L.H.S.; Josie Parrott, W.V.T.; P. P. Palmer, (one of the most determined temperance men in the State) W.S.; Alice Palmer, W.A.S.; Jennie Palmer, W.F.S.; Isabel Ozonoff, W.T.; Hulda Hedden, W.C.; Irene Burnett, W.M.; Mary Palmer, W.D.M.; Elmer Palmer, W.E.G.; Ben Butler, W.O.G.; Obed C. Butler, P.W.C.T.; and P. P. Palmer, L.D.

Among the new members taken into this Lodge I note the names of my young friend Will Palmer and wife, (formerly Jennie Coates) and Josie Parrott, each of whom were of the veteran brigade of No. 5 at Roseburg.

Will Palmer and his father are engaged in merchandising here and are doing a good business. Sister Josie Parrott, is teaching, and is giving complete satisfaction. Scottsburg is improving some, and as much of the travel for Coos Bay will leave the railroad at Drains, and come this way, it may again become quite a place. One of the needs of the place at this time is a good hotel or at least a hotel under better management than the one now there—especially one not entirely wedded to the whiskey ring. I hear that the old fossil who keeps this house positively refused to allow the family to attend a temperance lecture which was less than twenty steps away.

The Lodge at this place is fortunate indeed in having in its membership such earnest workers as Sisters Ozonoff, Palmer, Hedden, and Bros. Palmer, Obed C. and James Butler, and I feel sure will give a good report of its work.

Letters just received from W. H. O'Donnell, Dist. Dep. for Multnomah county, C. H. Whitney, W.C.T. of No. 83, L. N. Liggitt, L. D. of No. 19, J. T. Rowland, of No. 250, Annie E. Underwood, G. D. M., L. J. Rouse of No. 214, and Mary Cartwright of The Dalles, Grand Guard, give cheering news from their several localities. Brothers and Sisters the old fires of temperance are burning with a brighter glow in the bosoms of our valiant workers.

Fraternally, W. R. DUNBAR. COTTAGE GROVE.—Below I send you a list of officers of Pacific Lodge, No. 179, I. O. G. T., W.C.T., D. C. Underwood; W.V.T., Maggie Vestch; W.S., Samuel Vestch; W.F.S., W. W. Cathart; W.T., Ella Underwood; W.C., J. H. Perkins; W.M., C. W. Clark; W.I.G., Mollie Underwood; W.O.G., J. W. Gowdy; W.A.S., Emma Redford; W.D.M., Maggie Cathart; P.W.C.T., H. C. Vestch; L.H.S., Belle Wallace; L.H.S., Ella Wallace; W. W. Cathart is Lodge Deputy. The Lodge is doing well at this time. Visitors are cordially invited. W. W. CATERCAET.

The Family Provided with Glenn's Sulphur Soap need have no fear, if it is used freely, of Salt Rheum, Scald Head, Ring Worm, Itch, or any other of those annoying and disgusting eruptions, which children are so apt to contract at school.

SMALLPOX.—Wild and exaggerated rumors are afloat to the purport that there are a great number of cases of smallpox now in Portland. Thus far the health authorities know of only four cases in Portland.

DIED.

At Copple, Washington Territory; Oct. 28th, 1876, of cholera infantum, Lorenzo Homer, infant son of L. B. and Tina Geer, aged eight months and eight days.

Although his stay with us was brief, He made our lives beautiful with love; God sent him like sunshine in our home, Then took him to dwell with him above.

At Dallas, Nov. 7th, 1876, of diphtheria, a daughter of Dr. T. V. B. Embree, aged 6 years. In North Salem, Nov. 6th, 1876, Wynceop Chadwick Smith, second son of Prof. W. S. Smith, formerly of the Deaf-Mute school.

Iron in the Blood.

The Peruvian Syrup vitalizes and enriches the blood, tones up the system, builds up the broken-down, cures Dyspepsia, Debility, Dropsy, Chills and Fevers, Chronic Diarrhea, Nervous Affections, Bolls, Humors, Diabetes, etc. Thousands have been changed by the use of this remedy from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

A 32-page pamphlet, containing a history of the Peruvian Syrup, a valuable paper on progress in medical science, a treatise on iron as a medical agent, testimonials from distinguished physicians, clergymen and others, will be sent free to any address. Seth W. Fowler & Sons, Proprietors, 36 Harrison Ave., Boston. Sold by all druggists generally.

From R. Fellows, M. D., of Hill, N. H. Although I have generally a great objection to patent medicines, I can but say in justice to Dr. Wistar's Balsam of Wild Cherry that it is a remedy of superior value for Pulmonary Diseases. I have made use of this preparation for years, and it has proved to be very reliable and efficacious in the treatment of severe and long-standing Coughs. I know of one patient, now in comfortable health, who has taken this remedy, and who but for its use, I consider, would not now be living. R. FELLOWS, M.D.

RUBBER PAINT!

USE THE BEST PAINT IN THE WORLD!

Be not Deceived! See that our Trade Mark is on each Package!

Pure White, for inside and outside work; Jet Black; and ALL COLORS; Mixed Ready for Use, and Easily Applied!

RUBBER PAINT is composed of the purest and most durable materials heretofore used by Painters, of which Linseed Oil, Carbonate of Lead, and Oxide of Zinc, combined with a large proportion of India Rubber, are chemically united in such a manner as to form a smooth, glossy, firm, durable, elastic, and beautiful paint, which becomes firmly cemented to the substance to which it is applied.

The Rubber Paint is not affected by changes of temperature, is impervious to water, is adapted to all classes of work, and is, IN EVERY WAY a Better Paint for either inside or outside work than any other paint known, and will last twice as long. For Wagons, Agricultural Implements, Steamers, Boats, and Vessels, it has NO equal. Particular attention is called to the following testimonials of the thousands received:

To JOHN HUGHES, Esq., (Agent for the Rubber Paint,) Salem: In reply to your note, asking my opinion of the Rubber Paint, I will say that after using over one hundred and twenty-five gallons, under various circumstances, on FIVE DIFFERENT HOUSES, and also on Picket Fences, I find it all that you represented it to be when I purchased it of you, and MORE in some respects, as its covering qualities, ease of application, and beautiful hard finish, prove it even superior to what you claimed for it. Very respectfully, yours, W. C. GRISWOLD, Lessee of Willamette Woolen Mills, and Proprietor of Salem Agricultural Works.

EUGENE CITY, Nov. 20, 1875. The Rubber Paint gives good satisfaction. I have great faith in it. J. P. GILL.

Examination is invited to the houses, among others, (in Portland,) of Hon. Wm. Strong, and Chas. Hodge, Esq., painted with the Rubber Paint, which present as fresh an appearance after exposure to both extremes of heat and cold as when first applied. Samples of the different shades of wood can be seen, and information obtained, by calling upon the Agents, JOHN HUGHES, Salem. HODGE, SNELL & CO., SUCCESSORS TO HODGE, CALEF & CO., Dealers in Drugs, Paints, Oils, and Window Glass, PORTLAND, OR. Send for Sample Card, Circulars, etc.
