BY TELEGRAPH.

New York, April 10.—In regard to Secretary Sherman's conference with the bankers at the sub-treasury to-day no definite information could be obtained. It was rumored that the bankers had agreed to take a portion of the new four per cent loan on condition that the Secretary would not remove the gold from the sub-treasury. Secretary Shorman, when asked about the matter, simply requested to be excused from being interviewed.

Denver, April 10.—It is announced here that H. A. McIntyre, President of the First National Bank of Colorado Springs, has absorted with \$70.000. The first ductions expere made quite recently, showing that Mo-

were made quite recently, showing that Mo-niyre had in the interim following the lath of the late predicted of the Bank of belorade Springs, and before the vacancy was supplied, scarred from deposits of the bank between \$10 000 and \$40,000. In addition to this he has hypothecated slock of the two banks with which he was connected amounting to \$25,000. It is feared the effect upon the Lake City Bank will be irrepar-

New York, April II.—Dr. Carnochan says Tweed has a complication of disorders likely to lead to a fatal termination. Others say it would be bester to imprison him for life than to keep him oscillating between hope and

G keep him oscillating between hope and despair.

Fall River, Mass., April 10.—8. Angler Chase, treasurer of Union Mills, is said to be a defaulter for \$180,000.

Union Mills have been attached by Henry T. Pearse, private banker of Providence. Chaze, treasurer, in a letter to the directors, acknowledges \$180,000 defalcation. The paper of the Five Cent Savings Bank, of which Chase is president, is eaid to be secured, but they are exacting 60 days notice from depositors.

New York, April 10.—Bishop Andrews, of the New York Methodist conference, has decided that licensing of women as preachers is against the doctrines of Wesley. Disappointed advocates of the new departure have taken an appeal to the general conference of Methodists of the whole country in 1850.

Galveston, April 10.-A train robbery on the Texas Pacific railroad occurred at Mea-quite Station, thirteen miles east of Dallas, at 10 o'clock fast night. When the train stopped IO o'clock fast night. When the train stopped at the depot the engineer and fireman were taken from the engine and placed under guard. The express messenger and route agent barricade I themselves in their car, I ut the robbers saturated it with coal oil, set fire to it and forced them out. The express and mill were then plundered. Conductor Alford and two robbers were wounded. The plandering party numbered lb or 20. The passenger were not mulested.

gors were not molested.

Washington, April 11.—The president does not seem in the test disturbed by the action not seem in the least disturbed by the action of the recent Republican caucuses. Those nearest him socially and politically say there is no probability whatever that he will do as requested by the resolution of Senator Sargent in the canona last night, to resolut the order forbidding participation in political meetings of officials of the executive branch of the civil service, and these friends do not think it probable any such request will be think it probable any such request will be me is by the congressional committee though they may confor with the president on political affairs generally in view of the approal-ing election. They say the president never declines to listen attentively to suggestions, but when he makes up he mind as to the

but when he makes up he mind as to the rightfulness of any measure he adhears to it. Republicans in congress, for the great part, will endeavor to avaid a direct issue with the president, however much they disagree with him in some of his political measures.

Gen. Fitz-John Porter has applied to the president for the appointment of a board traceouslider his case, with particular reference to new testimony that could not be had on his former triat. The president is considering what action he will take in the matter.

Booth's speech to day on the Chinese ques-tion, was listened to very a tentively by the most prominent senators of both parties, and also by Judge Davis, who belongs to usither. It has undoubselly contributed to the already flattering prospects of early favorable action on the article.

It has undoubledly contributed to the already flattering prospects of early favorable action on the anti-jet.

New York, April 12.—Wm. M. Tweed died in Ludlow street jail at 12 o'clock to-day. He was attended by Dr. Carnochan, who was with him from an early hour this morning; also Foster Dewey, his secretary. Mr. Donglas, his son in-law and Edelsion, of his connell. All hope of his recovery was abindoned soon after 11, when Dr. Carnochan announced a clogging of the heart and complete naryous exhaustion. At the time of his death there was no struggle, as he passed asasy in sleep, with his head bying chan announced a clogging of the heart and complete nervous exhaustion. At the time of his death there was no strongle, as he passed away in sleep, with his head lying upon his arm. His last words to Dr. Carno-chan were: "I have tried to do some good, if I have not had good luck. I am not afraid to die. I believe guardian angels will pro-tect me." The announcement of his des h spread rapidly and a crowd of enrious people soon assembled outside the jail, peering engely into the halfelosed windows. Tweed had been dangerously ill for several days. His death resulted from a complication of disorders, but was caused directly by nervous oxbaustion and clogging of the action of the heart. He was conscious till within a few moments of his death. Under statutes, the body of a dead prisoner cannot be removed from the jail until after examination by the

Tweed, shortly before his death, said to Edelatein, a lawyer, something with reference to the effect on his health and fortunes, of his the effect on his health and fortunes, of his confinement in [sil, and mentioning some persons by name, exclaimed: "They will be satisfied now." No member of his family was in his room when he died although his daughter, Mrs. Douglas, was in adjoining apartments. His wife, his sons Richard and William M. Jr., and other relatives are in Europe, where they have be a fir some months. His room was sumpanously furnished, but his meals had been brought to him from the jail. His beard and hair were more white, his face very thin hus the dispensnow white, his face very thin but the dimen-sions of his figure had not been perceptibly reduced. John D. Towesend, lately Tweed's

counsel, came to the jail at 1:30 and was present at the inquest.

New York, April II — Bayard Taylor, U.S. uninjster to Gormany, sailed to day in the Halsatia. Galveston, April 11 .- A News special from

San Anionio sava that at the wool-growers'
convention, held to day, resolutions were
adopted requesting representatives in congress to oppose a reduction of duties on forsign wools as proposed in the pending tariff

olin wools as proposed in the partition bill.

Washington, April 12.—Mamea, Samoan ambassador, took format leave of the president to day. A United States steamer will await the ambassador at Pansama and convey him home and make a survey for the purpose of selecting a naval depot ceded under the recent treaty of amity and com-

The house committee on naval affairs agreed to report a bill appropriating a quarter of a million dollars for purchasing and testing various torpodoes.

San Francisco, April 9—At a meeting of the Eleventh Ward Workingmen's Club to-night the following resolution was adopted without a dissenting voice: Whereas, The clargy of this city have made common cause with capitalisis, I nd-

after his spiritual affairs and not this move-ment of ours.

San Buonaventura April II.—The More trial to day came to close on part of the prosecu-tion. After calling of saveral witnesses, swances and Cook, two of those implicated by Sprague, and who have been in juil for teo days, were sworn at their own request and succeeded in satisfying the court of tooly intercest, where two that were flustly disinnecence; whereupon thay were finally dis-charged. Neither man has ever been sup-posed guilty by those best posted.

At the evening session of the court the deforms declined to introduce any testimony, whereupon all the prisoners were committed without ball, to await the action of the grand jury, which meets June 1st. This result was universally expected.

FOREIGK.

the Esseri question in the chamber of deputies to-day, said Italy would observe a vigorous neutrality.

London, April 16.—A Times' leading editorial says Prince Gorischak, ff's reply shows a genuine desire to ensure a peaceable solution. A correspondent at Barlin says it appears that Austria and Germany recognization. A correspondent at Barlin says it appears that Austria and Germany recognization. A correspondent state of the Bossarabian question, without, however, taking any direct steps to influence Russian resolves.

Chicago, April 10.—The Times' London correspondent visited Portsmouth yesterday and found the reports of great preparations there for war without foundation. No troop ships are taking on soldiers and there, is but little more than the activity of ordinary times. Work is proceeding slowly on the Inflexible and repairs are in progress on two or three armored ships. There is no egtra accumulation of troops or munitions of war. These facts, in connection with the pacific tone of parliamentary speeches, rather force the inference that much of the late classor about preparation for war was a femiliar to the section of the late classor about preparation for war was a late clamor about preparation for war was a

feint.

New York, April 10—A St. Petersburg correspondent telegraphs that negotiations have been begun with England for the purpose of enabling both countries to back down from their present antagonistic position. It suggested that Russia shall quit St. Stefene and the English fleet retire from the Dardanelles, thus enabling each to show a desire for conciliation. We are not told whether the literature to retire. They will the Russians propose to retire. They will certainly not leave Bulgarla until all matters

relating to that portion of the disputed terri-tory are settled their entire satisfaction.

Loudon, April 11—For the protection of the ships in the Nedherranean from torpe-dona a number of aream launches will be sent to I smid and other stations. A number of torpedo boals were sent from Chatham dockyard to the Mediterranean vesterday. A chartered steamer is now leading a large number at Victoria docks, the intention being to supply each of the vessels with at least two to pedo boxis.

Additional 3s ton guns are also shipping for the Mediterranean in Lundon docks.

Warlike preparations of the Ressians and

Turks about Constantinopte continue,
Apprehensions are expressed in Bucharest
that the Russians lutend forcing strict mar

that the Russians intend torcing strict that law.
Gorse-hakeff has requested the Roumanian government to repress the bitter tone of the press regarding Bossarabiaan I the two years occupation of Bolgaria.
London, April 11—A special from San Stefano sava Grand Duke Nicholas and Gens, Gunrko, Skobeloff, Nepotischizky, Shouvaloff and Lavizzy, with a large staff and an executed fifty avairy, vesterday visited the scort of fifty cavalry, yesterday visited the principal defensive works lately commenced by the furks between San Stefano and Constantinople, and then embarked on board the imperial yacht Livadia for the city. The erection of these def ness has caused great indignation. Grand Duke Nicholas has ob-tained an order to put a stop to it. It is rumored that Osman Pasha ordered the con-

reached. As to a congress, the circular says:
"Russia can only reiterate the declaration
that each power, Russia included, would
have the full liberty of appreciation and of

action."

The dispatch of Turkish reinforcements to Thessaly has been countermanded.

A telegraph cable has been laid through the Dardanelles.

Constantinople, April II.—The Greeks demand that the Greek pairiarch shall summon the Russian government to declare itself on the question of Greece Bulgarian schiam. Should Rossia recognize the Bul-garian church the patriarch would declare Rossia schismatic. Fresh troops are expected from Egypt to

replace those returning home.

Bucharest, April II —Numerous detachments of Russians have arrived in the neighborhood of Bucharest and in several

communes of the district.

London, April 12.—A rumor is current in military circles that the British have sustained a disserous defeat in South Africa.

The colonial office is ignorant of such defeat. London, April II.—In the house of com-mons this afternoon, Smith first lord of the admiralty, said he believed no troops had handed on the Island of Tenedos.

include on the Island of Tennedos.

The ultimate effect of Gorsebak off's circular is not reasouring. It is said here the government cannot accept the invitation to formula e counter proposels, and that the question must be satiled by the powers jointly. In Vienna the most serious deduction is that the hope heretofore held out from St. Petersburg of a renewal of the conterence negotiations is not contirmed by Gortechak (if a circular, which says nothing about accepting England's condition for going to the congress. Without some such concessions on the part of Russia, no step can be taken toward peaceful settlement.

The Tarkish sotherities at Tenedos request instructions from the Ports, in view of discentivity of Rritish marries to goard the

embarkation of British marines to goard the depot of war material on the Island. Prince Lucien Napoleon Murat is dead.

London, April 11.—The scenes at Lord Leitrim's funeral vesterday were very vio-lent and disgraceful. The mobilitat gather-ed in nont of the church endeavored to caned in front of the church endeavored to cap-ture the hearse, declaring their intention to drag out the corpse. They vitupersted the late earl as "old ruffixin and heretis." They also climbed the wall of the church yard, huseled the mourners, and charred, yelled and hissed during the reading of the service. Several mourners were roughly handled while endeavoring to make their way into the churchyer! All of them had to passout by an unfrequented way in the rear of the church to escape violence. Fifty constables were present, but were wholly inefficient o

grabbers and political thieves to break up this movement, be it
Resolved, That we stand shoulder to shoulder in this movement until death or victory is the result.

London, April 12—Districts in Albania, on the sea coast and Boyana river, occupied by Montenegrins, have been so ravaged by Montenegrins are unable to help them and ap appeal has been made to Austria for help.

help.
London, April 12 —The tone of comments on the political crisis is much more hopeful.
The conviction is that Russia is preparing to Germany's belp to get out of the pr ent dead lock, by such concessions as will secure a meeting of the congress. At Visuna Prince Gortschakoff's reply created an im-pression of Russia's willingness to find an secaptable method for reopening negotia-tions. This moderate spirit is believed to be in a great measure due to the altered tone of the comments of the Garacter of in a great measure due to the altered foue of the comments of the German, Frence and Italian press and politicians concerning the treaty of San Steland, which point to the probability of Russia instead of England be-ing isolated in case of a rupture. St. Petersburg, April II.—The Agence Russe makes the following announcement: An active exchange of communications is proceeding under the molerating influence of Germany with a view of arriving at a pa-

of Germany with a view of arriving at a pa-ciff; underwanding, the natural path to which would be a congress. The improved aspect of affairs have developed so as to justi-fy the hope of speedy attainment to a favor-able taste.

obstacles.

London, April 12.—A correspondent at St. Petersburg says: Notwithstanding the gloomy news of leading Russian newspapers it is believed in official circle that the congress will shortly meet. Germany has not abandoned the intention of using her influence in favor of pages.

encs in favor of peacs.

A Vienna dispatch states that Austria in a written statement of her views which was sent to St. Petersburg, not only insisted on the European character of the questions at issue but distinctly rejected the idea of a statement.

sepurate settlement.
Volo, April 9—An American ship came here yesterday by order of the U.S. minis

here yesterday by order of the U.S. minister at Athens, in answer to an application of American citizens. She will go to Salonica to morrow to embark refugees.

Berlin, April 12.—There is active competition between England and Russia in chartering the steamers at German ports. Two steamers chartered by Russia have left Hamburg with sealed orders.

Lordon, April 11.—A Vienna dispatch says Russia's answer to Austria consisted of verbal confidential assurances. The correspondent's informant says Austria's position was not such as to involve a question of tion was not such as to involve a question of peace or war. The correspondent believes this collapse of all serious apposition on the part of Austria is due to autograph letters from the czar to Emperor Francis Joseph, and partly also to the remark made by the U.S. minister to Russta while in Vienna, that the czar was disposed to make imporlant concessions.

The siteged circular of Gor'schakoff, which seems to reply to Audria's objections, is probably a supid hoax of some Par's news-

There seems to be some disposition at St Peter-burg to show Roumania in re-consideration. It is sunounced Gortschakoff meant that the stipulation for the passage of Russian tro-ps through Roumania, not the question of Bessarabia, could not be submitted to It is also stated that a Russian commission

will go to Bucharest to treat with the government. Stevicha Mihatovich, Servian minis ter, president of the council, has resigned in consequence of the vacillating policy of the

Servian government.

It is said Anglo Austrian influences are now in ascendant at Belgrade, and there is a disposition on the part of Servis, It our min and Montenegro, to make juict remoustrance to the powers against the treaty of Sau Stefano.

Stefano.
Vienos, April 12—The Political Correspondence states that the Russien representative at Russians in now urging the conclusion of a convention securing the right of passage through Roumania to Russian

Constantinople. April 12.—Eight Turkish transports start for Odessa to bring Turkish

prisoners.

The porte has issued a circular to its representatives abroad. It recognizes the treaty of San Stefano as the result of the reverses assusained by Turkey in the late war, and expresses a determination to carry out the terms of the freaty, but declares the porte would nevertheless regard as opportune any modifications which might be made by the benevolent intervention of the powers and moderation of Russis. The circular concludes by stating that whatever may be the feach of the present negotiations, the porter of the present negotiations are presented in the present negotiations are negotiated to be one of the best farm on French Pratrice by all who are negotiated to be one of the best farm on French Pratrice by all who are negotiated to be one of the best farm on French Pratrice by all who are negotiated to be one of the best farm on French Pratrice by all who are negotiated to the same distance from Woodbern, lying on the Butter of the same distance from Woodbern, lying on the Butter of the same distance from Woodbern, lying on the Butter of the same distance from Woodbern, lying on the Butter of the same distance from Woodbern, lying on the Butter of the same distance from Woodbern, lying on the Butter of the same distance from Woodbern, lying on the Butter of the same distance from Woodbern, lying on the Butter of the same distance from Woodbern, lying on the Butter of the same distance from Woodbern, lying on the Butter of the same distance from Woodbern, lying on the Butter of the same distance from Woodbern, lying on the Butter of the same distance from Woodbern, lying on the Butter of the same distan pledges itself to carry out the projected re-

MORE NAVAL ECONOMY.

Two beilers intended for the United States steamer Benicia have recently arrived at this Between Portland and San Francisco. port, says the San Francisco Chroniele, in a sailing vessel from New York, where they were built on contract, their entire cost landed at Mare Island being \$85,000. Unfortunately the ship is so rotten that it will require about \$500,000 to put her in sea-going condition, or a new vessel must be built for these two new boilers, as they are too large for the Pensacola, Lackawana or Iroquois. Nearly \$100,000 was wasted upon the Benicia before the Naval Con-structor and his assistant discovered that she was rotten. Work upon her has been suspended—that is, the mechanics and laborers have been "laid off;" but the parties responsible for the blander still remain in full authority, neither suspended nor reprimanded for their egre-gious bunder. It is to be hoped that the Benicia will be condomned, as she is not a de-sirable vessel of war, and the beilers sold for what they will bring as old from. seeling would be the chespest after all, and bring money into the treasury.
