RUPTURE:

PATRONS OF HUSBANDRY

To the Patrons of Oregon, Washington, and Idaho.

DRAR BRETHREN: In a few days I expect to start East to attend the meeting of the National Grange, and propose to be absent from the jurisdiction about ten weeks. Questions of law or usage arising during my assence may be referred to my deputies in the different counties; or, in case there is no deputy in the county, to the Worthy Overseer of the State Grange, Bro. D. S. R. Buick, Myrtle Creek, Douglas county, Gregon.

I beg to call the attention of all members of the Order to a resolution of the last State Grange endorsing the WILLAMEITE FARMER, making it the organ of our Order and calling upon Patrons to give it a hearty and united support. Brethren, we need a paper devoted to the interests of the farmer. It should at once furnish us an account of the current events of importance, the state of the crops, markets, &c., give us a medium through which to exchange our ideas and experiences, and furnish our families a weekly repast of such pure and wholesome miscellaneous literature as is best suited to their wants. Such a paper requires a large outlay of means, labor, and talent, and cannot be furnished us without adequate support. Let me urge you, therefore, to give our own paper a cordial support; subscribe for it, write for it, work for it, so that we may have a farmer's paper worthy of the name and second to none.

Fraternally yours, A. R. SHIPLEY, Master Oregon State Grange.

Evangetical Sunday School Concert Last Sunday Evening.

The Evangelical church last Sunday evening was filled to its atmost capacity, the eccasion being the Sanday school concert. The progranuture was excepted as follows:

The opening song followed by prayer by the pastor, after which the school sang another song. Hugh Harrison in a pleasant address, gave a word of welcome and opened the wide field of usefulness in which the Sunday school is operating. Master Henry Bier in a few words of wisdom, suggested that all should listen cheerily and with composure to the exercises.

Miss Emma Baringer in a most graceful and delightful way gave a solo and recitation, which

was well received. A class exercise by twelve girls, consisting of a song illustrated with scripture verses and questions, was credibly performed.

The principal feature of the entertainment was a concert scripture restation on heaven, in four parts, interspersed with appropriate solor, duction, chorness and rongs. The entire exercises was very interesting.
