Sheep. A drove of 800 sheep was brought across the Stark street ferry this morning and driven to the O. S. N. Co.'s dock for shipment to Victoria.

Chinese Mission Chapel. The directors of the Chinese mission, having secured permission of the trustees of the Baptist Church, are erecting a chapel for the use of the Chinese mission on the church lot facing on Fifth street.

The Umatilla Council. WALLA WALLA, June 18th. The Umatilla Council reopened on Monday with a large attendance.

Drowned. A sad case of drowning occurred at Salem last evening. Two sons of Mr. H. S. Jury, of South Salem, one nine, the other six years of age, were missed from home about 2 P. M., and soon after Mr. Jury started in search of them.

Gen. Lane. The old Mexican veteran, Gen. Joe Lane, was serenaded last night, at the Clarendon, by a large number of his friends together with the Northwestern band.

Consult Your Wife. Your wife ought to be your best adviser. She ought to be your most confidential counselor. The self-conceit of a man amounts to genius.

A Circus of His Own. "I say, John, did you see the circus?" yelled a little boy to another last evening. "No-o, I didn't see the circus!" sneeringly said John, who had been kept in the house for disobedience.

Venerable Vets. Pursuant to notice, the surviving soldiers of the Mexican war met at the Fair Grounds yesterday, and organized by calling Gen. Jos. Lane, the hero of the war, to the chair.

Venerable Vets. Organization of the Oregon Association of the Veterans of the Mexican War.

Pursuant to notice, the surviving soldiers of the Mexican war met at the Fair Grounds yesterday, and organized by calling Gen. Jos. Lane, the hero of the war, to the chair.

After short speeches by Gen. Lane, Hon. J. H. Smith, Gen. J. F. Miller, Hon. E. C. Bradshaw and Hon. James F. Ames, they proceeded to the organization of the Oregon Association of the Veterans of the Mexican War, by the election of Gen. Lane as president.

A resolution inviting all the soldiers of the Mexican war to become members of the society by sending in their names, the name of the company in which they served, and place from which they enlisted, to the secretary at Eugene City.

Your petitioners, in behalf of ourselves and our comrades, veterans of the Mexican war of 1846-8, survivors of the army and navy engaged in that memorable conflict of arms with a foreign power, most respectfully beg leave to submit a petition praying that a pension be allowed all surviving officers and men who were engaged in the service during that war and received honorable discharges, the same to continue during the brief remainder of their natural lives, and also asking that the widows of deceased soldiers and sailors be included.

The Harbor of Refuge. Captain Geo. C. Loodan was before the Board of Pacific Coast Engineers in San Francisco, last Friday, and made the following statement concerning the proposed harbor of refuge:

I have followed the sea on this coast about ten years, and have often felt the want of a harbor of refuge, especially off Cape Blanco, which I imagine would be the most available site for such harbor. There is very little fog in that neighborhood, and the cape can be discerned at a great distance.

Brought Down. Last evening the steamer Wide-West brought down 700 sacks of wool and several tons of bacon from the bunch grass country of Eastern Oregon.

Bad Accident. A man named Joseph Grayble, who lives about two and a half miles southeast of Hillsboro, met with a painful accident on Thursday last. It appears that while attempting to climb a fence he fell in such a manner upon a scythe as to sever the knee-pan and cutting the sinews of the leg. It is feared that he may lose his leg, and at the best he may remain a cripple for life.

Crops in Polk County. The Independence Riverside says the county was never better at this season of the year than at present. Unlike Marion and Linn counties, the land here is much of it high and rolling, and farmers were not prevented by late rains from seeding as much as they wished.

State and Territorial. Astoria. The Astorian says: It is supposed that a bogus half-dollar factory is in full blast in Astoria. Lewiston, Idaho, is now in direct telegraphic communication with Astoria, and the rest of the world.

State and Territorial. Astoria.

The Astorian says: It is supposed that a bogus half-dollar factory is in full blast in Astoria. Lewiston, Idaho, is now in direct telegraphic communication with Astoria, and the rest of the world.

Times at Astoria show business activity, and the transportation companies employ more stevedores and laborers than ever before. Joe Murphy and D. J. O'Brien attempted highway robbery at Astoria, and the vigilant police captured both of them.

The Clatsop dyke is now finished and Messrs. Warren & McGuire may feel a pride in their success. Mr. McGuire has purchased the beautiful place of Mr. Pease at Skipanon. If a person wishes to see the evidences of prosperity about Astoria, let him take a stroll through the city and witness the number of new buildings in course of construction.

Heavy frosts have damaged fruit trees over on the Sound the last few days. Seattle is \$10,000 in debt and the Mayor is visiting Portland to borrow money to pay it.

Indians on the Nootack killed a black bear that measured 7 feet and 6 inches from tip to tip. The Experiment reports quite a hard frost Monday, last week, in the country near Olympia.
