STEALING SHINGLES -In the police court the trial of Geo, Day and Alf Baker, charged of the with stealing shingles from E. A. Breyman, with stealing shingles from E. A. Breyman, on Front street, a night or two ago, will probably lead to something serious if the parties are guilty. Day testified that he purchased two bunches of shingles from a man who came across the railroad ferry about 8 o'clock in the evening, and that he gave Baker fifty cents to carry one bundle as far as Washington street on the way to his home, and when arrested they had simply set the shingles down to hunt an express wagon; that he was going to use them on his house. that he was going to use them on his house. The officers making the arrest testified they saw the men coming from the pile of shingles in front of Breyman's, and that they deposited them in a dark place at the foot of Washington street; that Day said he had just crossed on the Stark street ferry. The officers said that it was plain to be seen where two bunches had been recently taken from the pile of shingles. A case of perjury is likely to come of the matter.

We are aware that many people in Oregon are desirous of sending newsback to friends in the East, and this monthly publication will contain just the sort of information they will wish to send. To secure the success of this enterprise Mr. Clarke will travel a great part of the time, He will visit in person every important portion of this wide region, and write up, on the spot, all facts of interest. In this way we intend to make the journal interesting and reliable.
