WE SHALL KNOW.

When the mists have rolled in splendor From the beauty of the hills, And the sunshine, warm and tender, Falls in kisses in the rills...

When the silvery mists have veiled us From the faces of our own, Off we deem their love has failed us, And we tread our path alone...

When the mists have risen above us, As our Father knows his own, Face to face with those that love us, We shall know as we are known...

You require that your mutton should always be hot, Your socks and your shirts shall be whole; I require your heart to be true as God's stars, And pure as heaven your soul...

To Make Good Cider Vinegar.—Take 10 gallons apple juice fresh from the press, and suffer it to ferment fully, which may be in about two weeks...

Washing Fluids.—Stains.—The following will be found useful to housekeepers obliged to do their own washing, as it greatly lessens the work at the rubbing board, besides bleaching, removing stains, and rendering the clothes clearly and beautifully white...

through lightly in the morning. Put enough soft water in the boiler for one boiler full of clothes. When it gets quite warm add half a teacupful of the washing fluid—no soap. Put in the clothes and boil twenty minutes, or half an hour...

It must not be very hot, as there is danger of the color of the silk being changed. A delicate frosting for loaf cake is made of half a teacupful of water, three cups of sugar, and the whites of two eggs...

For The Children. MUSINGS IN THE TWILIGHT. In the twilight alone I am sitting, And fast through my memory are fitting The dreams of youth...

OUR LETTER BOX. Aunt Hetty is home, and she has reason to feel bad at the small number of letters to be found for her department awaiting her...

PORT TOWNSEND, W. T. The port of entry for the District of Puget Sound moves slowly but steadily on in the march of improvement. The old resident and frequent visitor can easily mark the changes from year to year...

KIDNEY WORT IS A SURE CURE for all diseases of the Kidneys and LIVER. It has specific action on the most important organ, enabling it to throw off torpidity and inaction, stimulating the healthy secretion of the bile, and by keeping the bowels in free condition, effecting its regular discharge.

MAKE HENS LAY. An English Veterinary and Agricultural expert, traveling in this country, says that some of the best and most productive hens and cocks are to be found in the State of Missouri. He shows us samples of the old Missouri Bent variety, two ears of which measured over eleven inches each in length, and were large and well filled.
