COMMERCIAL.

THURSDAY, NOV. 2, 1882. All through Eastern as well as Western Oregon and Washington, farmers have had a most favorable Fall season.

The markets remain actually without change for some weeks, as we show elsewhere, under the head of tonnage, while freights are not now in full supply, and, therefore, command a good price.

paying 50c to replenish exhausted stocks for daily consumption. A case of necessity: "we were out, and had to have it."
