Criminal Notes. VIENNA, La., Nov. 7.—The jail at this place was opened last night by a posse of men supposed to be from Jackson parish compelling the jailer to open the first door, and breaking their way thence to the prisoners they wanted.

Arab's Trial. CAIRO, Nov. 7.—Borelli Bey and Padon Bey, associate counsel in the prosecution of Arabi Bey, have made a request of the khedive to be allowed to retire from the case, giving as a reason that the method of trial being pursued was adopted under English pressure and in violation of the law of Egypt.

Deaths. VICTORIA, Nov. 7.—Douglas island is beginning to be a subject of conversation among miners interested in developing Takon quartz mine ledges, and will probably be more talked about in the near future than now.

Seismism. There is a certain fastidiousness among some people which is greatly shocked at seeing the terms diabetes, Bright's Disease, albumenuria, or even liver or kidneys, in print. They would fain forget that they had a liver or kidneys, or were subject to disorders of these organs, all of which would be well if such ignorance or fastidiousness could drive these diseases away.
