THE QUARREL OF THE WHEELS.

I sat within my wagon on a heated summer day. And watched my horse's fling feet devour the dusty way.

Daisy.

By MARGARET H. ECKERSON.

"'Twas full six months after, when John Allen came walking into the house one day, real shiny an' red checked, quite surprisin' me an' mother, as we sat quillin' by ourselves.

see, I says to him one day, proud as a peacock. "'Now you don't say?—so!" "That was a way he had of talkin' so on to the end of his words.

Klickitat County.

We take the following from the Goldendale Gazette of November 9th. We are under obligations to Governor Newell for some important corrections in the same:

The wooden building material used at The Dalles. Fire wood, within convenient distance, is good, abundant and cheap. Along the Columbia, within your borders, much of the fuel used by the steamers is launched upon flames, supplied by the mountain streams, and rushed down with incredible velocity, a distance of ten or twelve miles, falling upon rocks at the river shore, so that all of your timber can be utilized.

ing some of the gluten changes its form to albumen, and thus improves its bread making quality, so that the baker considers flour a m-nth old better than that fresh ground, this substance is not strictly limited to this layer of the grain, but is found both in the bran, and distributed through the starch.
