In Flushing Bay, Long Island, probably ment.

The importation of trade dollars from China and London by way of the Suez Canal is estimated at \$50,000 weekly; they are sold at 981 to 991.

At Elko, on the 13th inst., a brakeman

named Williams, while detaching an engine, fell under the cars and was mangled almost beyond recognition. He was well known as "Laramic Bill."

Over 10,000 persons attended the ball given by Ce\_tral Labor Union of New York on March 13th, at Madison Square gardens. The 3rd contest of a series of shooting

matches at clay pigeons, occurred at Kansas City on the 13th inst., Carver winning by a score of ninety-one to Bogardus' sixty-nine.

Of the clerks in the pension office, whose time expires this month, 250 will be re-appointed and 3 0 dismissed.

Stone Pasha arrived in New York on the 12th of March, on the steamer Arizona. In the Illinois State Legislature, the couse passed a bill to pun'sh wife-beaters George W. Easterbrook, Sparta; H. B. Nichhouse passed a bill to pun'sh wife-beaters by whipping. It should pass the senate also.

Salmi Morse is having considerable trouble with his Passion Pay. He has just been discharged on a charge of having produced a play without having procured a license. It was proven by several witnesses that they had seen the play without paying a fee.

Another private rehearsal will soon be

The directors of the Western Union Telegraph Co. have declared a dividend of 12 per cent, payable April 15th.

The New York Times announces that there will be no milk in that city after March 13th, the Orange county producers having resolved to stop the supply till the city dealers are brought to terms in order to save them from

Two boys were arrested in Jersey city while buying tackets for Chicago. They were going west to annihilate Indians, and had pistols, bowie-knives and 1,000 rounds of amunition. Another fearful massacre pre-

The California assembly, on the 13th inst., adopted a resolution pardoning all the Chi-ness confined in the State prisons upon condi-tion that they return to China and be debar-red the privilege of returning. It also adopted a concurrent resolution for unconditional ad-

journment at 12 to-night. The statement of the United States treasurer shows gold, silver and United States notes in the treasury to-day, as follows: Gold coin and bullion, \$179.782.237; silver dollars and bullion, \$105.485,431; fractional silver coin, \$27.666,434; U. S. notes, \$44.784,688; total, \$357,678,790. Certificates outstanding: Gold, \$41.503,870; silver, \$68,926,710; coin, \$10.420,000.

A New York Herald editorial of March 13 says: It is worse than a waste of time for the Star Route defense to call witnesses to the stand, day after day, to testify to the growth of the western country and its need of improved postal facilities. The prosecution might salely aimit all that the defense has yet undertaken to prove, and would save time and money to the government by doing so.

\* "He who is ready to buy up his enemies will never want a supply of them." It is theaper to buy a true friend in Kidney-Wort who will drive away those miserable enemies, a torpid liver, constipation, diabetes, piles, diseased kidneys and bowels. This remedy now prepared in liquid, as well as in dry, form. A New York Herald editorial of March 13

TELEGRAPHIC NEWS.

It is now conceded that the grain market of England, and in fact Europe, is in the hands of America; also, the red and white wines received in Germany from California are considered superior to French wines of the same class.

The National Labor Union has issued a manifesto demanding an extra session of Congress and denouncing she tuspension of investigation between labor and capital. It is claimed that the recent tarrif legislation passed by Congress will lead to privation and strikes and consequent misery and want.

The Treasury Department of Mexico has just published an official valuation of landed property in the Republic, which puts the total at \$3,000,000,000, of which nearly two-thirds is credited to different estates. It doubtless falls far below the actual value of property.

In Flushing Bay, Long Island, probably

In Flushing Bay, Long Island, probably 1,000 bushels of soft clams were dug, owing to the tide being so low; it was lower than it has been for twenty years.

The remains of John Howard Payne are The remains of John Howard Payne are expected in New York on the 23rd inst., from whence they will be transferred to Washington, where they will be taken in charge by the authorities of the Oak Hall Cemetery, and by them held till the 9th of June, the 91st anniversary of the poet's birth, when the funeral ceremonies will take place.

A dispatch dated Helens, Ark., March 13th, states that the water is declining, and the railroads are preparing to resume running Brown, 1st Infantry, Major C. G. Bartlett,

A dispatch dated Helena, Ark., March 13th, states that the water is declining, and the railroads are preparing to resume running trains.

Harper Bros., of New York, will erect an elegant building for the use of their retail business, at a cost of \$500,000.

The importation of trade dollars from China and London by way of the Suez Canal is estimated at \$50,000 weekly; they are sold

The general impression among officials at at 98½ to 99½.

It is rumored that William Lilley, the gentleman assaulted by ex-Senator Dorsay, is in a very precarious condition. He is unable to retain food upon his stomach, and suffers much hair productions. The president said that he would be guided entirely in this matter by the Secretary of the Treasury.

On March 13th a fire broke out in Piper's Opera House, Virginia City, Nev. Several stores and dwellings were burned and other-wise injured. Loss, \$45,000.

Secretary Chandler stated that, as soon as practicable, Bartlett and other survivors of the Jeannette, now in St. Petersburg, will be brought to Washington and called before the Jeannette heard to give the little of the litt Jeannette board to give testimony regarding the loss of this vessel.

## STATE & TERRITORIAL NEWS

The schooner Vanderbilt, Capt. Winant, now at Yaquins, entered the bay on a quarter tide, and the captain says he never found such good water on the bar before, in his twenty years' experience. The schooner brought 135 tons of freight for the O. P. R. R., including fittings and wheels for forty additional box
