### The Soldiers Complain.

Gold Hill, Or., April 15, 1897.  
Headquarters James Luttrell Post No. 71, Dep't. of Oregon; Grand Army of the Republic.

WHEREAS: At the last meeting of the Board of Trustees of the Oregon Soldiers Home the following rules were adopted; to wit;

Rule 13. Any person admitted to the home shall surrender all his pension to the commandant, and, if the person so surrendering his pension has dependent relations, the money so surrendered shall be paid to such dependent relations by the commandant, excepting the sum of four dollars per month, and in case such person has no dependent relations, the excess of his pension over and above the sum of four dollars per month shall be credited by the commandant to a fund for the support of the home and shall be used for that purpose only.

Rule 14 of regulations on page 11 of the by-laws shall read as follows: In all cases where improper use is made of such allowance of pension money as provided for in rule 13 of by-laws, leading to misconduct, or infractions of the rules of the home, the allowance so granted shall be withheld by the commandant.

WHEREAS, in our opinion, they conflict with Sec. 4745, Revised Statutes of the U. S., which is printed on the back of every pension certificate; and—

Whereas these two rules force the old veterans to assume three attitudes, all of which we denounce as unjust and unpatriotic:

First, By requiring them to surrender their pensions, they are made to renounce their property rights (guaranteed to them by Sec. 4745; Revised Statutes), thus forcing them to assume the attitude of County paupers.

Second, Rule 14 forces them to submit to civil penalty without legal process. See Amendm't to U. S. Const. Art. 5.

Third, The allowance clause reduces the old soldier to the defective classes, and we object.

THEREFORE, BE IT RESOLVED: That Luttrell Post No. 71, Dept. of Oregon, G. A. R. enters its indignant protest against these iniquitous Rules adopted by the board of trustees of the Oregon Soldiers Home.

RESOLVED: That we resent this degradation of the veteran soldier to the rank of the defective classes, and we hurl back the insult with supreme contempt and bitterly denounce both rules referred to, or any rule that may hereafter be made, that will deprive an old soldier of his pension or a part thereof, claiming that no man or set of men have any right either moral or legal to thus humiliate any portion of the brave men who made it possible for this nation to exist; and we, a portion of the army of men who carried Old Glory to victory, do utterly abhor any such contemptible and audacious rules, or any person who will in any manner seek to deprive any one of such men of any comfort which is being furnished to him by our government according to the Federal law, and which is only a fulfillment of one of the many promises made to us by these United States when we were enlisted.

RESOLVED: That we most emphatically condemn the course taken by the Oregonian toward the old soldiers; who made it possible for that paper as well as others who are antagonistic to us to exist and we call on all Grand Army Posts in this department to join us in our endeavors to have these obnoxious, illegal, despotic, tyrannical rules abrogated.

W. H. Beidler, Post Commander,  
Geo. W. Spary, Adjutant.

The Populist county central committee have passed resolutions denouncing the Valley Record of Ashland as being un-true to the cause. The editor E. J. Kaiser claims these resolutions were passed because he was not true to the "push" of the peoples party instead of the party itself. Draw your own conclusions.
