The Silverton Appeal says it is the opinion among wheat dealers that the crop will start at from 50 cents to 56 cents per bushel in the Silverton markets. While this is not a high price it is better than it has been for some time at harvest.

The prospects of a bountiful harvest is apparent on all sides. Wheat, oats, hay, hops, potatoes and wool are in better request at enhanced prices. The talk that better times has not yet appeared is idle. It cannot be denied that any one of the above named commodities has not today a better standing in financial circles than it did a year ago. Prosperity is here and still coming, but it is not of a days birth—it will take time to get back to better times but the "good old times" are a long ways off.—Gervais Star.

TERRIBLE ACCIDENT.—It is a terrible accident to be burned or scalded; but the pain and agony and the frightful disfigurements can be quickly overcome without leaving a scar by using DeWitt's Witch Hazel Salve, Allison & Co.
