## NEWS OF THE WORLD.

### SPAIN'S PREMIER SHOT TO DEATH BY AN ANARCHIST.

**Disastrous Floods in Germany—An Odd Marriage in New Jersey—Sherman Speaks About War—Launch of the Torpedo Boat Plunger.**

Shoe workers at St. Paul have gone on a strike for an increase of wages.

Striking pantsmakers of New York will go to work at once to the number of 3500.

The bicycle tax of Chicago has been declared unconstitutional by a cycling judge of that city.

Forty-six persons were killed and 60 hurt by an explosion in a cartridge depot at Rustchuk, Russia.

The epidemic of suicides in Paris has overcrowded the morgues, and there is no room for more bodies.

Striking fins at the Fairport, O., ore docks drove away Huns engaged to unload, and the militia was called out.

The pension roll of the United States is now near the million mark, there being 983,258 names on the roll July 1st.

Captain F. W. Thibart, Sixth Infantry, stationed at Fort Thomas, Ky., is dead. He was well-known in Grand Army circles.

Dr. Arthur S. Kennedy of Auburn, N. Y., a retired physician, accidentally shot himself in the leg and bled to death.

Wallace Campbell of New York, known as "Wally deForrest," an actor, died suddenly at Chester, Pa., of pneumonia.

Peter Veih, his wife and 2-year-old child were seriously burned in a fire at Chicago, caused by the explosion of gasoline.

A water-spout at Hot Springs, S. D., washed away a number of small houses, several railroad bridges and one life is reported lost.

England has been suffering from a long spell of hot weather, and the crops are in danger. There were 200 prostrations in London.

Senator Tillman of South Carolina says that the ministers, in opposing the state dispensary system, are leaguering themselves with the devil.

In an interview published in a New York paper Secretary Sherman says that England is more anxious to talk back than to fight, and that Spain is so deeply in debt that war is out of the question.

In a collision between the Chicago express on the Pennsylvania line and a switch engine at Indianapolis the engineer of the latter was killed and both locomotives were wrecked.

The State department has been advised that Ira C. Farley, traveling in Cuba for a New York cigarette company, was captured by Spanish forces and has been turned over to Consul-General Lee to be sent out of the island.

The Memphis and Charleston passenger train was wrecked near Stratton, Ala., by a misplaced switch. The mail and baggage cars were overturned and badly damaged, and the baggage-master and postal clerk were perhaps fatally injured.

Fibel and Crabb, the big Eminence, Ky., distillers, have failed for \$180,000.

Grain for export is beginning to arrive at Galveston, Tex., in lively style.

The New York State Hop Growers estimate the crop for the state at from 55,000 to 75,000 bales.

It cost the Australian government \$30,000 to extradite Frank Butler, the murderer, from San Francisco.

Theodore Turner was hanged at Spring Hill, Ala., for an attempted assault on a farmer's daughter.

Dr. A. S. Elbert, a colored physician of Indianapolis, has refused the appointment as consul at Bahia.

Davidson Brothers of New York, dealers in leaf tobacco, have assigned. There is about \$125,000 involved.

Representatives of large malting firms met in New York recently and took the first steps to close a combination.

The greatest race meet in the history of American cycling was held in Philadelphia last week when eighteenth annual meet of the League of American Wheelmen was held. Over 45,000 people were present during the two days racing.

The torpedo boat plunger, costing \$150,000, was successfully launched at Baltimore. The boat is regarded as a great triumph in marine warfare. It is said that at a pinch she will run under the water for a distance of sixty miles. The full crew will consist of five men.

Mrs. Chloe Humphrey-Barlow, a wealthy Patterson, N. J., widow, 76 years old, has just been married to John Wesley Riley, 23 years old. One of the woman's 40-year-old sons swears he will spank his boyish stepfather the first time he meets him.

Cloudbursts and inundations have devastated the eastern part of Germany during the past week, and are the worst that have occurred since 1870. According to reports 105 persons were killed in Silesia and in Saxony the casualties will not fall short of 180. The financial losses foot up to 150,000,000 marks. Large sums of public money have been granted the sufferers.

Four lives were lost in an explosion which took place during a fire a few days in the Northwestern grain elevator at Chicago. Three of the dead are firemen, the body of another fireman is thought to be buried in the ruins of the elevator. Fifty-one persons were injured by the explosion. Either the bursting of a boiler or the explosion of mill dirt caused the havoc. The loss is estimated at \$300,000.

Senor Canovas del Castillo, prime minister of Spain, was assassinated Sunday, August 8th, at Santa Agueda by an anarchist. The murderer fired three shots, two of which struck the prime minister in the forehead and the other in the chest. The wounded man lingered unconscious two hours before he died. The assassin was immediately arrested. He is a Neapolitan and gave the name of Rinaldi, but it is believed his real name is Michaelis Angino Gotti. The murderer declared he killed Canovas in accomplishment of a "just vengeance." His act is believed to have been the outcome of a conspiracy. He arrived at Santa Agueda the same day as the premier and was frequently seen lurking in the passages of bathing establishment where the premier was staying.

The Greater New York Republican convention will not be held until September 25th, five weeks before the election.

The New York grand jury for August is composed chiefly of millionaires, whose aggregate wealth is estimated at \$125,000,000.

There are over 1800 cars loaded with wheat on Kansas city sidetracks and a blockade, especially on the Southern roads, is in prospect.

The fast flyer of the Kansas Pacific railway was wrecked 40 miles east of Denver, Col. John A. Ward, engineer, and W. B. Harrington, baggage man, were killed. Eleven others were injured. The wreck was caused by a washout.

John Parker, a farmer living near Kamiah, Idaho, has been missing for days. His house is burned down, his orchard cut down, and two horses shot. A bloody ax was found on the premises which leads to the belief that he was murdered.

## CASTORIA

For Infants and Children.

The fac-simile signature of *Chas. H. Fletcher* is on every wrapper.

Some for ten, some for twenty and some for thirty years have suffered from piles and then have been quickly and permanently cured by using DeWitt's Witch Hazel Salve, the great remedy for piles and all forms of skin diseases. Allison & Co.

Many of the gold hunters are taking their lives in their hands from the moment they leave dock in San Francisco. It seems to be the rule to load northbound steamers down far below the danger line, and a disaster like that of the Colima is by no means improbable. There is no law to prevent this sort of thing here as there is in Great Britain, but there probably will be when it is too late to prevent the loss of two or three hundred lives.—Chronicle.

Don't thin your blood with sassafras or poison it with blue-mass; but aid Nature by using DeWitt's Little Early Risers, the famous little pills for constipation, biliousness and stomach and liver troubles. They are purely vegetable. Allison & Co.
