Dr. Miles' Nervine
A REMEDY FOR THE
Effects of Tobacco.

THE excessive use of tobacco, especially by young men is always injurious and undoubtedly shortens life materially. Mr. Ed. C. Ebsen, compositor on the Contra-Costa News, Martinez, Cal., writes; "I have used Dr. Miles' Restorative Nervine and received much benefit from it. I was troubled with nervousness, dizzy spells and sleeplessness, caused by the use of tobacco and stimulants. I took Dr. Miles' Nervine with marvelously good results, allaying the dizziness, quieting the nerves, and enabling me to sleep and rest, proving in my case a very beneficial remedy." Dr. Miles' Restorative Nervine is especially adapted to restoring the nervous system to its normal condition under such circumstances. It soothes, heals and strengthens.
