County Politics.

County pclitics are not very brisk just yet, but then it is three weeks until election, and many things might happen during that time to warm the brethren up. The republicans so far have been disapointed in their speakers, Messrs. Schoomader of New Jersey, and Duniway of Salem. It is expected that Judge Pipes of Portland, and C. W. Fulton of Astoria, will speak here before the campaign closes. These two gentlemen are without superiors anywhere, and no doubt will give very interesting talks.

Dr. J. W. Robonson the republican candidate for County Treasurer has been in business in Jacksonville for the past twenty years and during that time he has made a host of friends in all parts of the county, all of whom will support him for the office of County Treasure. Dr. Robinson is a taxpayer and a reliable business man. Make no mistake. Vote for him for County Treasurer.

The deadle cigarette has received another blow at the hands of the various military examining boards throughout the United States. The army physicians who conducted the examinations say that among habitual users of cigarettes, the rejections are about 90 per cent, while outside the ranks of cigarette smokers there are even fewer rejections than there were in the days of the Civil war.

Vote for W. H. Leeds for State Printer.

If Spain's Atlantic fleet can do no better than the one in the Orient the war will soon be over.

We reproduce the speech of Hon. T. T. Geer, candidate for Governor, in another column. You should read it carefully.

The Pope has decided that prayers for neither side are to be offered in the churches of the city of Rome during the present war.

It is estimated that the taxation to be levied for war purposes will yield between $90,000,000 and $100,000.000. That is about $1.25 for each inhabitant of the United States.

Judge Crowell shut Newberry off rather abruptly at Eagle Point after requesting him to speak. What was the matter Judge? Was he getting too close home to be comfortable?

The Medford "belly-ache" fears that the republican managers will publish some affidavits against J A. Jeffrey, which will place that worthy in a "false light before the people." All the affidavits needed against Jeffrey is the record he has made for himself as district attorney. The Court docket of the county shows that.

John A. Jeffrey, who is engaged in stumping this district for his own election as Judge, has a record for monumental incapacity as a lawyer never before equalled by any district attorney in the State of Oregon, of which we have any record. Here it is, and it is from the Circuit Court records of Jackson County:

Convictions by district attorney	4
Defective indictments and cases referred back to grand jury	10
Dismissed	6
Not true bills	6
Not guilty	5
Jumped bail	1

How is that for a record of a man who wants to sit on the Judicial Bench of the First Judicial District.

Show your appreciation of the Oregon Volunteers by voting against R. M. Veatch, who while in the Oregon state senate, did all that was in his power by voice and vote to destroy and do away with the Oregon National Guard. Remember that Veatch is the enemy of the soldier, and is not worthy the confidence of the people.

The people of Oregon will certainly look to their own interest in re-electing Mr. W. H. Leeds to the office of State Printer. He is one of the straight forward upright men of the state and will fill the office for the mutual benefit of all concerned, especially to the tax payers of the state, for it will be conducted as are all of his business arrangements with the strictest economy.—Grants Pass "Observer."
