It has been reported by some un- reliable person that the supper for the A. O. U. W. ball which will be given in this city next Wednesday evening, will not be given at the Gold Hill Hotel as advertised. This report like a number of others is not correct and was no doubt started by some one who wishes to influence people not to attend the ball. We have it from reliable persons that no pains are being spared to make this one of the grandest affairs ever given in this line in this city. Extensive arrangements are being made by the manager of the Hotel and we can assure the patrons of the ball that the supper will be magnificent.
