PERSONAL AND LOCAL.

Have you registered?

The hotels are doing a good business.

The Maccabees had a smoker Tuesday night.

L. L. Arnold, a Medford dentist, was in town Sunday.

W. A. Carter, was a passenger to Medford Wednesday.

Miss May Perry, of Grants Pass was visiting here this week.

Rain and sunshine have alternated, but the sun shines most.

Mrs. J. C. Hall and son of Medford, were visiting here this week.

J. W. Marksberry, went to Medford Friday to hear Bryan speak.

A convention of Prune growers is called for Saturday, at Medford.

A. L. Gall, the Sams Valley druggist, went to Medford Wednesday.

Mrs. Chas. Young was visiting her parents in Jacksonville this week.

Chas. Young purchased the Moon cottage last week paying \$250 for it.

G. F. Billings, of Ashland, a real estate dealer, was a visitor here last Monday.

T. J. Pearce is somewhat under the weather this week with a severe cold.

Geo. W. Short, superintendent of the Braden mine, went Medford Wednesday.

Rev. Clyde, of Jacksonville, will preach here on Sunday, morning and evening.

Tom Dungey, a Galls creek miner was in town Wednesday, and subscribed for the News.

E. A. Reames, an attorney of Jacksonville was in town this week visiting his brothers.

E. Britt, the land cruiser of the S. P. railroad company, has been in town during the week.

H. D. Kubli was nominated by the republican convention as a delegate to the state convention at Portland.

H. D. Kubli was elected chairman of the county central committee at the republican convention last Saturday.

Miss Genevieve Reames, of Jacksonville and Miss Meda Plymale, of Medford, were visiting in Gold Hill Thursday.

Mrs. Mary E. Ritter, of Rock Point called at the News office Wednesday and took our receipt for a years subscription.

The city council, or trustees, have elected W. H. Caine chairman, and Dr. C. A. Stanley chairman of Committee on Finance and Improvements.

H. D. Jones, the Rock Point miner, was elected chairman of the Republican convention at Medford, last Saturday. It was an honor well bestowed.

Rough or dressed lumber, lath, shingles, mouldings, doors, windows, and in fact anything you will want in the line of building material, at factory prices, see T. J. Downing, agent for the S. P. D. & L. Co.

Robt. Spencer and W. H. Rickey who are developing a mine on Alcoe creek a tributary of Elk creek, thirty miles from here, will go out to the mines next week and push development and also do some prospecting.

Work on the cold storage building of Hall & Young came to a stand still this week when nearly completed, on account of the lack of shingles. A lumber yard and sash and door factory is needed here.

One of the trains coming through Gold Hill has an electric locomotive headlight. The arc light in the lantern is generated from a dynamo in the cab. It throws a brilliant light at least a half mile in front of the train.

Edwin Olsen, the six-year-old son of Marshal Olsen, who was run over by a wagon loaded with lumber last week is going to school this week. It was a remarkable escape, as the wheel passed over his body above the hips, but the weight of the wagon, which was coming down a grade from the Smith saw mill, was on the opposite wheels.

Mrs. W. T. Reames was visiting relatives in Jacksonville last week, for a few days.

Mrs. Charles Trimble went to Grants Pass last week and remained several days visiting with Mr. Trimble.

Mrs. P. M. Dekum, of Portland, is expected in Gold Hill shortly. She is president of the High Line Ditch Co.

A system of electric lights will be the next thing in order here at Gold Hill. The Board of Trade has the matter in charge.

L. C. Fisher, of Jump-off Joe mining district, near Woodville, was looking after some mining interests here last Tuesday.

E. Ray, of Gold Hill, will attend the Congressional convention at McMinnville as a republican delegate from Jackson County.

Prof. P. H. Daily, the principal of our public school here, was nominated by the republican convention for county school superintendent.

W. F. Gallagher, of the Wizard Oil Co. showed his faith in the future of Gold Hill, by purchasing last week three lots in the Dekum addition.

W. J. Bryan passed through Gold Hill Friday. Mr. E. J. Eastman secured a snap shot photograph of him on the steps of the Pullman.

T. J. Downing is agent for the S. P. D. & L. Co. of Grants Pass. Place your orders with him for lumber, doors, shingles etc., and get mill prices.

J. R. Landreth, a recent arrival here from Sumpter Or. was the fortunate winner of the diamond ring given by the Wizard Oil Co. last Saturday evening.

Attorney J. L. Hammersley is the republican central committee man for Gold Hill. H. D. Jones, of Rock Point is chairman of the executive committee.

The owners of the iron mine, just about two miles from Gold Hill, refused \$50,000 for the property a few years ago. It seems some way might be devised for working the ore, for it is a valuable deposit.

W. A. Carter, our Gold Hill attorney, received the nomination for the Oregon legislature last Saturday at Medford. Mr. Carter is entitled to the honors of his party and he will be an honor to his constituents.

Milo P. Ward, of the High Line Ditch Co. arrived in Gold Hill Monday. He is probably here in connection with the very important work of the company. He says he notices a marked improvement in the appearance of the town since his visit only five weeks ago.

T. J. Pearce says the next Oregon legislature should memorialize congress to have a geological survey made of this section of country one hundred miles wide and clear across the state. As it is now this section is officially unknown. We should demand it and it will be granted, as it is our right.

I. E. Deboy, the barber, has a slab of marble in his place of business which was quarried just south of Gold Hill. It is about an inch thick, eighteen inches long and fourteen inches wide, and is a fine specimen of white marble. In the hills near Gold Hill are several ledges of both white and grey marble, and they are both lying undeveloped.

How long will it take you to find out whether Schilling's Best

are good enough for you?

For sale by Reames Brothers

R. A. Vaughn, of Seattle, an assayer and mining man is at the hotel this week investigating the mining prospects of this section.

Arrangements are being perfected for a day of racing here, about May 1, and a grand ball, for the benefit of the Board of Trade, in the evening.

The S. P. railroad shows its appreciation of the efforts of the enterprising citizens of Gold Hill, in the organization of a Board of Trade, in the donation of \$20 to the good cause.

The Board of Trade has made a small appropriation for the purpose of having an exhibit of the mining ores, and for the present it will be placed in the waiting room of the Gold Hill hotel.

In knocking loose a stay-brace at the quartz mill building last Thursday, Chris. Thiele was thrown off the frame timber on which he was standing and fell on a nail in a board so as to cut an ugly gash in his hand.

J. F. Landreth, lately of Sumpter, will soon be a permanent resident of Gold Hill, having this week purchased the McNeil property, on C street, and left yesterday for Portland, where, on next Thursday, he will take unto himself a wife.

Frank Mee who operates a saw-mill near Grants Pass, and F. Truxax manager of the Grants Pass Sugar Pine Door and Lumber Co. were in town Wednesday. They will consider the advisability of establishing a planing mill and lumber yard here.

E. C. Wells is an enthusiastic lawn tennis player, and has been interesting himself in securing a court. The grounds of the railroad company east of the warehouse have been secured and will be cleaned for a court. Look out for some records!

W. H. Stickel and H. M. Staudinger, have formed a partnership and gone into the manufacture of brick here at Gold Hill. The yard is located just west of the new quartz mill, and they expect to have 200,000 brick ready for market by the 1st of June.

Mrs. Judge Cowing had some friends to dinner last Sunday, and it being April Fool's day, had prepared a dainty pudding which she announced as "birds nest pudding." In the center were three small boiled eggs, but when the outside was investigated it consisted of toothpicks and twine strings. It was a clever deception.

T. E. Stanley tells us that he bought an old dump of ore out in the Blackwell district two miles from Gold Hill, for \$30, and hauled the ore to Mr. Houck's quartz mill last week and cleaned up twenty seven ounces of gold, which is worth about \$460. If there are any more such bargains lying around loose in this section, let us in on the deal Mr. Stanley.

The Night Cap social of the Rebekahs Thursday evening was well attended. The orchestra consisting of Messrs Purkeypile, Deboy and Crawford, and Miss Downing rendered several selections. Mrs. Kellogg and Miss Cunningham recited, and the lunch baskets and night caps were sold. A dance was given as an afterthought, and greatly enjoyed.

Last week the writer received a letter from Portland with quotations of Wetherby-Bonanza stock, at 15 cts. a share, and Mr. McFarren, who heard the letter read, said he would buy some stock, but not thinking he was really in earnest, nothing more was said about it. Now Mr. McFarren has it in for us as a rich strike has been made this week in that mine in Eastern Oregon, and the stock has made an advance. Mr. McFarren might have made a nice profit on his investment.

Pneumonia is one of the most dangerous and fatal diseases. It always results from a cold. Chamberlain's Cough Remedy will quickly cure a cold and perhaps prevent an attack of pneumonia. It is in fact made especially for that ailment and has become famous for its cures over a large part of the civilized world. It counteracts any tendency of a cold toward pneumonia. Can you afford to neglect your cold when so reliable a remedy can be had for a trifle? For sale by Emery J. Eastman, Gold Hill, or Ben Haymond, Rock Point.
