Lumber and shingles for the new Southern Pacific R. R. depot building continues to arrive and is neatly piled up on the depot grounds. The Southern Pacific gets thoroughly ready for business and then rushes it through, so that some of these days we may expect to see a big force of carpenters drop in here and before we realize it the new depot will be completed.

MACCABEES REORGANIZE.—A more lively buzzing amongst the Maccabees has not been heard in Gold Hill for some time than that of last Monday evening at Odd Fellows' hall. Seventeen candidates rode the goat, a result of Deputy Supreme Commander Stovall's work, who has spent the week in working up the order at this place. The entire degree team of Ashland came down with their regalia, and put on the beautiful initiatory work of the Maccabees. After the initiatory ceremony, a social good time was indulged in by the visitors, and the meeting broke up with a good feeling in each man's heart. The visitors departed on the 11:15 train, feeling that they had had an enjoyable trip and wishing the tent here all prosperity for the future.

Pneumonia is one of the most dangerous and fatal diseases. It always results from a cold. Chamberlain's Cough Remedy will quickly cure a cold and perhaps prevent an attack of pneumonia. It is in fact made especially for that ailment and has become famous for its cures over a large part of the civilized world. It counteracts any tendency of a cold toward pneumonia. Can you afford to neglect your cold when so reliable a remedy can be had for a trifle? For sale by Emery J. Eastman, Gold Hill, or Ben Haymond, Rock Point.

Up at the Meadows, fifty miles or so from Gold Hill, are some coal mines which are true bituminous coal, and the vein is six feet thick. Some day it will be developed.

Gold Hill has plenty of timber.
