CHRONIC MALARIA

Is the result of repeated acute attacks. The liver and spleen are principally affected. They act as storehouses for the malarial poison and the blood takes it from them.

The poison must be driven out of the system. **HUDYAN** will destroy the action of the poison and eventually drive out the last particle of it from the system. In addition to this, **HUDYAN** will restore the lost appetite. It will build up the weakened system. **HUDYAN** will make new blood and new flesh. The pains in the bones will disappear. **HUDYAN** has cured others and it will cure you. We describe the symptoms. Study them carefully. They are yours. Do not delay longer, but take **HUDYAN** now and you will be cured.

HERE ARE YOUR SYMPTOMS:

1. **CONSTANT HEADACHE AND TROUBLED BRAIN.** Take **HUDYAN** and your headache will disappear.
2. **PALE OR YELLOWISH COMPLEXION.** **HUDYAN** will establish a free circulation of pure blood and cause the cheeks to assume their natural color.
3. **LOSS OF APPETITE AND GNAWING IN THE STOMACH.** **HUDYAN** will restore the appetite and the digestion of food will become perfect.
4. **FEELING OF WEIGHT OVER THE LIVER.** This is due to the enlargement of the liver. It is filled with the poison of malaria. **HUDYAN** will drive out the poison and cause the organ to assume its natural size.
5. **HEAVINESS IN THE REGION OF THE SPLEEN.** The spleen becomes greatly enlarged. **HUDYAN** will lessen the congestion and cause the heaviness to disappear.

You are suffering from Chronic Malaria and you can be cured. **HUDYAN** will relieve your every symptom and make you well. **HUDYAN** can be obtained of all druggists for 50c per package, or 6 packages for \$2.50. If your druggist does not keep it, send direct to the **HUDYAN REMEDY COMPANY**, San Francisco, California. Remember that you can consult the **HUDYAN DOCTORS FREE**. Call and see the doctors. You may call and see them, or write, as you desire. Address

From Extreme Nervousness.

THAT no one remedy can contain the elements necessary to cure all diseases, is a fact well known to everyone. Dr. Miles' System of Restorative Remedies consists of seven distinctively different preparations, each for its own purpose. Mrs. L. C. Bramley, 27 Henry St., St. Catharines, Ontario, writes: "For years I suffered from extreme nervousness and annoying constipation, developing into palpitation and weakness of the heart. I was unable to sleep, suffered much from headache, pain in my left side, palpitation and a constant feeling of weakness and prostration. I began using Dr. Miles' Nervine, Heart Cure and Nerve and Liver Pills and the Anti-Pain Pills to relieve sudden paroxysms of pain and headache. I soon felt much improved and the pains and aches and weariness left me. I then took Dr. Miles' Restorative Tonic and am now restored to my former good health."

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address,

COUNTY SCHOOL NOTES.

By Supt. G. A. Gregory.

Miss Ollie Huffer has completed a three months term in No. 37.

Lizzie Ferguson and Robert Jonas began summer terms on June 11th, in districts 53 and 31 respectively.

Miss Ella Griffith has been engaged to teach the lower grades of the Gold Hill school and Mr. J. P. Wells the upper grades. We predict a successful year and thorough work in that growing town.

Up among the firs and pines on the Dead Indian road, is an ideal summer school house in which Miss Dickey is teaching her second summer term. The children are wide awake and propose to get all the education possible in the short time they have to attend.

Miss Emma Coleman and flock of boys and girls are happy in their high school on the Siskiyou. There are no better mannered, obedient children in the county than there is in No. 38. Teachers, if your children are not all they should be look for the cause and see if some of the difficulties are not at your own door.

Teachers who do first class work are in demand and always will be. Miss Adele Pickel returned from the State University Thursday and began a term of school in No. 80, the following Monday where she taught a summer term last year. The patrons claim that it pays to wait in order to secure a teacher.

Last fall I sprained my left hip while handling some heavy boxes. The doctor I called on said at first it was a slight strain and would soon be well, but it grew worse and the doctor then said I had rheumatism. It continued to grow worse and I could hardly get around to work. I went to a drug store and the druggist recommended me to try Chamberlain's Pain Balm. I tried it and one-half of a 50 cent bottle cured me entirely. I now recommend it to all my friends.—F. A. BABCOCK, Erie, Pa. It is for sale by Emery J. Eastman, Gold Hill or Ben Haymond, Rock Point.

To the People of Gold Hill.

Since my return from Southern Oregon I have been receiving many inquiries from persons who want to locate. I will remain here until about July 10. If any of your readers know of a vacant situation, (male or female) or of a good business opening, or a desirable farm or residence or mine for rent or for sale, etc., and will write to me. I can be of service to them. Address, E. C. PENTLAND, Independence, Oregon.

A Monster Devil Eish

Destroying its victim, is a type of Constipation. The power of this malady is felt on organs, nerves, muscles and brain. But Dr. King's New Life Pills are a safe and certain cure. Best in the world for Stomach, Liver, Kidneys and Bowels. Only 25 cents, at Emery J. Eastman's Drug Store.

Douglas County authorities are investigating the alleged mysterious disappearance of Fred Bulling, who worked for several farmers in the vicinity of Oakland during the past year or two, says the Roseburg

Review. He has not been seen since April 22, and there are some who believe that he has been foully dealt with, although there is no evidence extant that would tend to confirm such a view of the case.

The beet sugar industry has passed beyond its experimental stage in Grand Ronde Valley. Farmers who began beet culture three years ago in doubt as to its practicability as a paying proposition, and having everything to learn in regard to it, have steadily increased their acreage and output. From 8000 tons as the result of the first year's planting, the bulk has increased until the La Grande sugar factory is now assured of 20,000 tons of beets from which to manufacture sugar this fall. The record of this industry is one upon which all concerned may well be congratulated.

A Living Liliuputan.

What is certainly a living wonder is a child born to Mr. and Mrs. E. E. Ellison, of West Rose street, on the 20th of May. It is a male child, and weighs now exactly one and a half pounds, and it has not gained in weight since the day of its birth. It is exactly 15 inches in length, and an ordinary finger ring can be slipped over its hand to its elbow. The child is in perfect health and is finely featured. It is the fourth child born to Mr. and Mrs. Ellison, whose other children are normally developed.—Walla Walla Statesman.

A Card of Thanks.

I wish to say that I feel under lasting obligations for what Chamberlain's Cough Remedy has done for our family. We have used it in so many cases of coughs, lung troubles and whooping cough, and it has always given the most perfect satisfaction, we feel greatly indebted to the manufacturers of this remedy and wish them to please accept our hearty thanks.—Respectfully, Mrs. S. Dory, Des Moines, Iowa. For sale by Emery J. Eastman, or Ben Haymond, Rock Point.

J. S. Howard, chief engineer of the High Line Ditch Company, is in Portland from Gold Hill, Jackson County. He has his estimates all complete for the letting of contracts in 10-mile sections, as according to the promoters of the enterprise, work of excavation is to begin in September.

The ditch, he says, is to tap Rogue River at the upper rapids, and will be 94 miles long, terminating at Gold Hill. There will be 11,000 feet of flume, 11 feet wide and six feet deep, using 1,500,000 feet of lumber in its construction. Where excavated, the canal will be 14 feet wide at top, eight feet at bottom, and six feet deep. A right of way 50 feet wide has been obtained through the railroad and desert lands along its route. The grade is one inch in 1000, or 5.28 feet per mile, and the velocity of the current will be 3.96 feet per second, or 2.7 miles per hour. The capacity will be 15,681 cubic feet per minutes, which equals 10,455 miners' inches, California measure. A miner's inch equals one cubic foot of water per second.

Two siphons are figured in the estimates. One of these is to be at Trail Creek Canyon, 2870 feet long, 400 feet depression, with 40 feet head, consisting of three parallel

lines of 34-inch diameter steel pipe. At Elk Creek a similar siphon, 4740 feet long, will cross the canyon. These pipes will save the construction of over 20 miles of canal in a rugged country.

The company hopes to put the work through within one year after the excavators have been put to work. Several hundred men will be given employment during its construction, which will be begun at the upper end, in order to float the lumber needed for flumes and culverts down from sawmills to be erected above.

The ditch will supply water for a number of promising placer mines in Jackson County, which it will enable to run the year around. A large amount of farming land will also be irrigated along its route, and the town of Gold Hill will be supplied with pure water from Upper Rogue River. Portland capital is backing the enterprise.—Oregonian.

A Wealth of Beauty

Is often hidden by unsightly Pimples, Eczema, Tetter, Erysipelas, Salt Rheum, etc. Bucklen's Arnica Salve will glorify the face by curing all Skin Eruptions, also Cuts, Bruises, Burns, Boils, Felons, Ulcers, and worst forms of Piles. Only 25 cts. a box. Cure guaranteed. Sold by Emery J. Eastman druggist.

The Eugene Register intimates that the contest for the county judgeship in Lane county is not yet over. The official count, as is well known, shows Harrison R. Kincaid elected by a plurality of one.

The Courier, a new weekly newspaper, was issued at Cove Saturday.

"I would rather," exclaims a Chicago preacher, "break black bread in the Transvaal than eat the frosted cake of England." Doubtful; but if he had lived out here in Oregon a while, among the yellow-legged chickens, big strawberries, rosy cheeked girls, and all the bounties and beauties of the temperate zone, he would not think of doing either.—Ex.

The undertakers of an Eastern state recently held a convention, and a local paper alluded to the gathering as "an assemblage of Boxers."
