## The Bravery of Woman

Was grandly shown by Mrs. John Dowling of Butler, Pa., in a three years' struggle with a malignant stomach trouble that caused distressing attacks of nausea and indigestion. All remedies failed to relieve her until she tried Electric Bitters. After taking it two months she wrote: "I am now wholly cured and can eat anything. It is truly a grand tonic for the whole system as I gained in weight and feel much stronger since using it." It aids digestion, cures dyspepsia, improves appetite, gives new life. Only 50c. Guaranteed, at E. J. Eastman's drug store.

An exchange in making up its forms the other day, got a marriage notice and a grocer's advertisement mixed up so that it read as follows: "John Brown and Ida Gray were united in the holy sour kraut by the quart or barrel. Mr. Brown is a well-known young cod fish at ten cents per pound, while the brice, Miss Gray, has some nice pigs feet which will be sold cheaper than in any store in town."

## SUMMER RESORTS.

"To the mountains our people in increasing numbers yearly look for those days of relaxation and recreation necessary to maintain the human machine in fair working condition. The languorous sloth of the seashore proves very seductive while it lasts, but may have decided that the annual outing should provide not only radical change of air and surroundings, but also such stimulation of flagging energies as will provide brawn and vigor for the return to labor. For this they urge the mountain climb and ramble, the balsam of the mountain pines, and the clear, unadulterated mountain air."

"In this direction the Shasta Route now affords a wealth of attractions. The entire line of road from Ashland to Redding is studded with charming and accessible hotels and camps, where are cheer and comfort and healing at reasonable cost, and where you can hunt, fish, ride, loaf, or play with equal facility."

"Or if you look for healing waters, none better can be found, hot or cold, than the springs of Ashland, Coletta, Anderson, Bartlett, Byron and Paso Robles."

"Before visiting Europe, the people of the Northwest should see the glories of Yosemite Valley, and the wondrous groves of Mariposa and Calaveras; the Parisians are likely to make inquiries concerning these attraction resorts."

Send to Mr. C. H. Markham, General Passenger Agent, Portland, for new booklets on Castle Crags, Shasta Springs, McCloud River, Yosemite, and excursion rates thereto."

It is unfortunate that some people do not work as hard to pay off their own debts as they work to pay off the debts of their church.
