COMMUNISM PUT IN PRACTICE.

A German Colony in Iowa That Has
Proved to Be a Well-Founded
Success.

The later history of the United States is checked with sketches of socialistic and communistic experiments, nearly all of which have nothing but failure for an end. Some have prospered more than others, and given promise of success, but inherent human defects have at last brought about disaster. The present most conspicuous example of successful communism is to be found in Iowa, where there is a settlement of Germans known as the Amana society. Driven from Germany in the '60s by religious persecutions, they sought peace by fleeing to a country that purchased 8,000 acres of good farm land, and organized a strict communistic society in the new world, says the Fort Worth Register.

On this land they and their descendants still live, untouched by the outer world, respecting their own customs and usages, quiet and lawful, rendering obedience to the law of the land, but unsocial in their relations with their neighbors. The community is absolutely communistic and they live in one great family, no one having any money of his own, and no one being paid a cent for his labor. Everything goes into the general fund and all expenses are paid out of that fund. If a boy in the colony wants a dollar to celebrate the Fourth of July or go to a circus, he does not ask his father for the money, because he knows the parent has nothing, but goes at once to the treasurer and makes known his wants.

They all live in settlements, of which there are eight, the old town of Amana being their capital and the home of their president, Dr. Wingfield. There are 800 inhabitants of this little place, and all the houses are built after one general plan. There is but one store, and that owned and managed by the community. No cooking is done at the different homes, but all of it is attended to at the general kitchen, of which there are 16 in Amana, and all go there for their meals. Their attire is simplicity itself, and the men have no buttons on their clothes, everything being fastened with hooks and eyes.

Useless Statistics.
"How old are you, uncle?" asked the magistrate of a colored individual who had been arrested for being unduly familiar with a neighbor's poultry.
"Ah dunno, sah," replied the son of Ham.
"Don't you know in what year you were born?" asked the law dispenser.
"Looker hyar, judge," said the venerable African, "whetfoh am de use ob ma tellin' about ma birthday? Yo' all ain't gwine ter gimme no birthday present, is yo'?"—Chicago Daily News.

Poisoning The System.

It is through the bowels that the body is cleansed of impurities. Constipation keeps these poisons in the system causing headache, dizziness and melancholia at first, then unsightly eruptions and finally serious illness unless a remedy is applied. DeWitt's Little Early Rise prevents this trouble by stimulating the liver and promoting easy healthy action of the bowels. These little pills do not act violently but by strengthening the bowels enable them to perform their own work. Never gripe or distress. A. P. Estabrook.

Nathan Damewood was in from the farm Sunday.

George Anderson the painter has been doing good work in his line.

Acts Immediately.

Colds are sometimes more troublesome in summer than in winter. It's so hard to keep from adding to them while cooling off after exercise. One Minute Cough Cure cures at once. Absolutely safe. Acts immediately. Sure cure for coughs, colds, croup, throat and lung troubles.

J. D. Graham and his son William, were down from the mine Monday and reports the shaft down 40 feet the rich rock still continues. They have taken out about \$400 in specimens besides a vast amount of rock that gold is plainly visible to the eye. This is without doubt the greatest continued depth of rich ore without intermission, of any mine in this vicinity.

Treat Your Kidneys

For Rheumatism.

When you are suffering from rheumatism, the kidneys must be attended to at once so that they will eliminate the uric acid from the blood. Foley's Kidney Cure is the most effective remedy for this purpose. R. T. Hopkins, of Polar, Wis., says, "After unsuccessfully doctoring three years for rheumatism with the best doctors, I tried Foley's Kidney Cure and it cured me. I cannot speak too highly of this great medicine." Gold Hill Drug Co.

Leaston Smith owner of the Uncle Sam mine contemplates going back to England to be present at the crowning of King Edward in September.

Lee Cook was up from Rock Point Sunday.

No False Claims.

The proprietor of Foley's Honey and Tar do not advertise this as a "sure cure for consumption. They do not claim it will cure this dread complaint in advanced cases, but do positively assert that it will cure in the earlier stages and never fails to give comfort and relief in the worst cases. Foley's Honey and Tar is without doubt the greatest throat and lung remedy. Refuse substitutes. Gold Hill Drug Co.
