CURED OF PILES AFTER 40 YEARS.

Mr. C. Haney, of Geneva, Ohio, had the piles for forty years. Doctors and dollars could do him no lasting good. DeWitt's Witch Hazel Salve cured him permanently. Invaluable for cuts, burns, bruises, sprains, laceration, eczema, tetter, salt rheum, and all other skin diseases. Look for the name DeWitt on the package—All others are cheap worthless counterfeits.

The Christmas number of the Delineator is the thirtieth anniversary number. To do justice to this number, which for beauty and utility touches the highest mark, it would be necessary to print the entire list of contents. It is sufficient to state that in it the best modern writers and artists are generously represented. The book contains over 230 pages, with 34 full page illustrations, of which 20 are in two or more colors. The magnitude of this December number, for which 750 tons of paper and six tons of ink have been used, may be understood from the fact that 91 presses running 14 hours a day, have been required to print it; the binding alone of the edition of 915,000 copies representing over 20,000,000 sections which had to be gathered individually by human hands.
