Second Annual

CLEARANCE SALE

JAN. 9 - 14

Beginning Monday morning, January 9th, and continuing until Saturday evening, the 14th, at eight o'clock, we will offer to the people of Gold Hill and to the people of Southern Oregon, what we believe absolutely, without a shadow of a doubt, to be the greatest general dry goods sale ever before attempted in this vicinity

Don't let anything keep you away, come on the train; if you can't get on the train, come in a wagon; if you haven't a wagon, come on horseback; if you can't get a horse come a foot. Come any way to get here. Don't let anyone persuade you to stay away. This is a Money Saving, a Money Making opportunity that may come but few times, so don't fail to let us prove to you that we mean every word we say. Remember we have to clear these goods from our shelves. In taking our annual inventory, we figure we can count the money easier than the goods.
