Don't be fooled by fake prices of other stores. The prices noted above are our regular offerings. This proves that the Big Store is doing business on the square. We don't print a large list of leader prices and then when you call tell you that we are just sold out. We have the goods on our shelves at the above prices and you will find them all good clean fresh stock fit for anyone. Most of this cheap priced merchandise is old stock bought in from stores that have become bankrupt, and no doubt lain on shelves for years. When you put such trash into your household you run a risk of ptomaine poisoning. Our goods are guaranteed to be fresh and clean and we always please.
