Rogue River Correspondent to Medford News

Petitions are being circulated and bear a great many signatures asking for the appointment of Chas. Orr as principal of the Gold Hill schools next year. Mr. Orr has for the past two years served the local school as an instructor and is understood that he has placed his name before the board as a candidate for principal. The fact that after serving two years in the school the students signed his petition almost 100 per cent speaks wonders for Mr. Orr. The further that the petition was circulated at instigation of the pupils and not Mr. Orr attests to the esteem which he is held by his charges.

The twin children of Mr. and Mrs. Joe Lewis are confined to their home on account of illness.

J. W. Bromely, resident engineer of the state Highway commission was a Gold Hill visitor Wednesday. Mr. Bromely stated that the department expected to start work oiling the road from the ends of the pavement to the Rogue River bridge. Paving would be out of the question yet for several years due to the fact that settlement has not been completed as yet. A heavy penetrating coat of oil will be used so that this portion of the highway will be about as good as it is in other portions. Oiling will start as soon as the rainy season is over.

The Gold Hill dance was a big affair as usual. The vigilance of the police force under the direction of Chief Hammersly kept the crowd from being noisy on the streets of the city and there were no ill reports from the town people. Manager Kinkaid stated to your reporter that they have run down the parties who have been stealing purses at the Gold Hill and Eagle Point dances. There had been several reports of purses being lost so manager Kinkaid that it was theft rather than carelessness that caused the loss. He placed several people to watch the crowd at the Eagle Point dance and at last the culprits were caught and placed in jail at Medford. Mr. Kinkaid has spared no effort to make his dances enjoyable and attractive to the dancing public.
