Thanksgiving Day Program
On the afternoon of the 24 there will be a Thanksgiving Day program in which most of the rooms will participate. This is a Thanksgiving program in 8 scenes depicting the life of the Pilgrims from the time they left Holland through a part of their life in America. There will be Indian war dances and several musical numbers during the interludes.

CIVICS CLASS
There are 16 in the civics class.

We are studying how the gov't functions, and at present we are studying about the Treasury Dep't. Every Friday is current event's day. On this day each student gives an oral talk on some important event. It is then thoroughly discussed by the whole class. In this way we learn about recent events in the life of our gov't.—Leona Wheatley

Favorite expression—Is that nice?

Brighten Her Christmas with a fine diamond

The kind of personal regard that "wears well" finds its perfect expression in the diamond. . . . When other gifts have faded from memory, diamonds will still glow, with undiminished beauty—symbols of the spirit that prompted their giving. . . . We have the newest modes in bracelets, rings, brooches, and Gruen Wrist Watches—set with diamonds of rare beauty and perfect cut—all reasonably priced.
