YOU WOULD HIRE COMPETENT HELP

You wouldn't hire a blacksmith as your dentist nor a carpenter as your doctor; neither would you hire a farmer as your lawyer.

Your county judge should be a lawyer able to handle legal matters coming before the county court. He should also be capable in business administration.

You hire officials by voting for them.

regard to each office. In this regard, may this paper say that no man has a right to criticize any man in office if he himself does not take the trouble to go to the polls and express his own choice of man to run the affairs of the government. His choice might not be the majority choice, but it is his duty to express his opinion at the polls as well as on the street corner, or through the newspaper. Charles P. Talent

Candidate For

REPUBLICAN NOMINATION FOR SHERIFF

I have had eight years experience as enforcement officer in Jackson County and am thoroughly acquainted with every department of a Sheriff's office and therefore feel competent and confident that I can make the Jackson County office one of the most efficient in Oregon at a minimum expense.

If the Citizens of the County see fit to nominate and elect me to this office, they can depend upon several things, a few of which I will set forth in this Ad.

Each department will be headed with the best Deputy obtainable for the salary paid.

Each Deputy will be chosen from BONAFIDE RESIDENTS OF JACKSON COUNTY, no exceptions.

I will assume responsibility for the acts of all my Deputies while they are working under me. NO BUCK PASSING. No HARD BOILED tactics will be tolerated by me in dealing with Prisoners or anyone else, as all enforcement work will be conducted WITHIN and according to LAW.

A record of the activities of every department will be kept and be open for public inspection, nothing under cover, for I feel that if I cannot conduct the Sheriff's office in every department in an open and above board manner, then I don't want the job.

Every Citizen of Jackson County will receive a square deal from me, regardless of who they are.

MY SLOGAN

EFFICIENCY guaranteed through EXPERIENCE, which naturally means ECONOMY

NOTE—The statements in this Ad are not directed at any Sheriff's office, they simply set forth my ideas as to how a Sheriff's office should be run.
