LIBRARY GIVEN TO MEDICAL SCHOOL

Eugene, Ore.—The University of Oregon Medical School has been made the recipient of the gift of the excellent medical library of Dr. Ernst A. Sommer of Portland. Doctor Sommer, leading surgeon and student of Portland, has assembled, over a period of years, one of the finest private libraries of medical and surgical literature on the Pacific Coast, and has donated nearly three thousand volumes, together with the cases and other appurtenances.

Ancient History FROM OUR FILES 26 Years Ago

From The Gold Hill News of
April 5, 1907

W. F. Taggart and H. C. Bonney passed through town Monday, en route to Medford from Crescent City, Calif., by team. They were eight days making the trip and report 40 inches of snow on the mountains.

Stickel Bros., the brick and tile men, are at work on a 200,000 kiln of brick. Another forerunner of the building activity of Gold Hill during the coming summer.

The Condor Water and Power company has a force of men erecting a pole line from the Braden mine across the Galls creek divide to the Tin Pan mine.

Indications point to the early construction of a railroad from Medford to the famous Blue Ledge mine on Joe creek, a tributary of the Applegate.

A delegation of Rebekahs from the local lodge attended a district convention at Medford Tuesday afternoon and evening. Those going from here were Mesdames Carter, Hammersly, Fisher, Stickel, Reed, and Harvey and Misses Iva Dungey, Myrtle Blackburn and Ella Purdue.

Hints for the Household

BY BETTY WEBSTER

HOUSEHOLD HINTS

Here are a few rules for successful cake baking: When you once make a successful cake then use same recipe. Use recipe accurately. Use same brand of ingredients. And last but not least, do not take too long mixing the ingredients. In order to do this have everything ready beforehand so that materials can be blended rapidly.

House Cleaning Hints

When painting or washing moldings, hold a heavy piece of cardboard under the molding so that the paint or water that drops from brush or rag will not spatter on the wall.

Apartment Sewing Hint

When it is necessary to use your dining room table to cut on you will find it practical to keep your asbestos pad or silence cloth on the table while cutting. This will keep the top of your table from being scratched or marred.

COOKING HINTS

Asparagus Short Cake

Method.
Cook asparagus.
Make your favorite biscuit recipe. Make a white sauce.
Cook several eggs hard boiled.
Then when ready to serve split and butter the biscuits or large shortcake.
Lay asparagus between halves.
Mix white of egg in white sauce.
Pour white sauce over asparagus and biscuit. Top with the powdered yolk of egg.

Angel Cake Desserts

1. Method:

Cut angel cake in slices. One slice to each plate. Cover each slice with whipped cream.

Place a half of a canned peach in the center of each piece. Turn hollow down—having filled it with chopped dates.

This is different and pretty and resembles a poached egg.

2. Take any fresh fruit. Cut up a little (no not crush). Mix well with whipped cream. Sweeten. Fill the center of angel food cake with this mixture. Place in ice box and chill. Serve on a platter and top with whipped cream and pieces of fruit.

3. Cut angel food in squares. Cover with frosting made of powdered sugar. Roll in chopped pecans.

ROLL YOUR IRONING TROUBLES AWAY

The modern rotary ironer will turn ironing into play. It puts that laundry finish on the things you do at home. Sit down in comfort and enjoy doing your ironing the modern way in half the time. The electric cost for a complete ironing is about the same as for the slower hand iron. You cannot afford to waste time and strength on other ironing methods. Electricity is the perfect servant.
