Theatre. This film brings before the American public for the first time the Rocky Twins, a pair of dancing youths who have created a sensation on the Paris musical comedy stage. They were brought to this country with a view to appearing in a New York show this coming season, but were induced to make their debut in "Blondie of the Follies."

Early Lambing Successful

Canyon City—Grant county's early lambing operations were the most successful in the past six years, reports County Agent R. G. Johnson. Ewes twined well and then had plenty of milk. Grass was slow in starting but by April 1 conditions were good. Stockmen are learning that the finest "medicine" is plenty of feed before, during and after lambing—plus cleanliness. With these prevailing generally this year disease was at a minimum.
