BOY SCOUT NEWS

(By Leo Walker)

Wednesday evening the Boy Scouts had planned to go over to Galls creek for a weenie roast, so about five o'clock some of the town boys went over and cut up a huge pile of wood. The rest of the boys and Mr. Cook met at the Scout hall at seven o'clock and Mrs. Clyde Walker took them all over in her car.

When all the boys had arrived, they had the weenie roast. Then they had the meeting by sitting around the fire on logs.

After the meeting the boys played prisoners base with patrols playing against each other. They played several games, then they put the fire out and started for home. The boys talked and played all the way to town.

Next Wednesday night the boys are going to have a checker contest.
