

Sickness and Christmas . . .

—Not a good combination, but that is what I find myself facing.

And as sickness is expensive, and as I have strict doctor's orders that I cannot be at my store until next week at least, I am worried.

But here is good news for you folks—

I need money. And to raise it we are going to make discounts that are well worth while.

Gold has advanced lately but I bought before the rise—and you'll benefit by the low wholesale price I paid, as well as by this added discount.

I hope you come to our store, shop around, and if you are pleased . . . buy. You will surely save . . . and I will surely have less stock, more money and fewer worries.

Sincerely yours,
E. H. BUHN.

Necklaces at a Discount. Sterling Silver Rings, special prices; Picture Frames, very low prices; Pieces of Silver, bargains; Watches reduced.

Why Liquid Laxatives are Back in Favor

The public is fast returning to the use of liquid laxatives. People have learned that the properly prepared liquid laxative will bring a perfect movement without any discomfort at the time, or after.

The dose of a liquid laxative can be varied to suit the needs of the individual. The action can thus be regulated. A child is easily given the right dose. And mild liquid laxatives do not irritate the kidneys.

Doctors are generally agreed that senna is the best laxative for everybody. Senna is a natural laxative. It does not drain the system like the cathartics that leave you so thirsty. Dr. Caldwell's Syrup Pepsin is a liquid laxative which relies on senna for its laxative action. It has the average person's bowels as regular as clockwork in a few weeks' time.

You can always get Dr. Caldwell's Syrup Pepsin at any drugstore, ready for use. Member N. R. A.
