

Foots Creek News

(By Mrs. Marion Lance)

Mrs. Willis Hiatt passed away at the community hospital at Ashland Thursday following an operation. Funeral services were held at Hall's funeral home at Grants Pass Sunday afternoon. Interment was in the Rock Point cemetery. She will be remembered here by her old friends as Virgie Robinson and with her parents lived on Birdseye creek for a number of years. She was born at Farmington, Mo., July 2, 1880, and is survived by her husband, Willis Hiatt, and five children, Freda of Ashland; Victorine of Medford; Hazel, Gertrude and Rayford at home, 714 Ninth street, Grants Pass; one sister, Nina Robinson of San Francisco, Calif.; three brothers, Howard of Ashland, Phillip of Grants Pass and Dick of Gold Hill.

Mrs. Effie Birdseye returned Sunday evening from attending the fourth annual Homemakers conference at Corvallis for the past four days. It was a decided success and she, with Mrs. C. T. Baker, will have a splendid report for the unit. In the play contest Columbia county won first place in the finals with a one-act play, "Dust of the Road." Jackson county with Belview grange players, won second place with the "Dear Departed," and

Clackamas county won third with "The Duke." Jackson county was second in number of delegates present.

Mrs. Pauline Wahl spent the week end in Medford at the home of her daughter, Mrs. G. H. West. On Sunday they were guests of Mr. and Mrs. Grant Matthews at Grants Pass.

News of the death of Mrs. Jessie Cook that occurred near Beagle Saturday forenoon came as a shock to her friends here. She, with her husband, Jack Cook, who passed away about fifteen years ago, lived here when he was employed at the Champlin dredge. She is survived by one sister, Mrs. Hattie Childers Scott of Marysville, California; two daughters, Mrs. Cecil Byrne and Mrs. Ethel Caton of Chico, California; her step-mother, Mrs. Childers of Gold Hill, and step-sister, Mrs. Claire Stumbo of Foots Creek.

Mr. and Mrs. Ned Coverdale of Birdseye creek are the parents of an eight-pound daughter, born by Caesarian operation at the Josephine general hospital at Grants Pass, Wednesday, February 28.

Mrs. Tom Henderson is spending some time in Medford under the doctor's care. Her mother, Mrs. Artie Doren of Medford, is staying at the Henderson home near Sherwood's auto camp.

Bobby Cameron visited over the week end in Gold Hill with his grandparents, Mr. and Mrs. Walter Dunger.

D. H. Ferry has a crew of men clearing a right of way for a new road on the land purchased from Lance brothers, preparing for a new creek crossing.

Mrs. Lizzie Finney of Central Point arrived Friday to spend a week at the home of her nephew, Roy Tompkins and family at Riviera plantation orchard.

Mrs. Alden Galbraith and young son returned to their home Saturday from spending the past two weeks at the Community hospital in Medford.

Mrs. Lloyd Miller and children were shopping and attending to business in Medford Saturday.

Mr. and Mrs. George Lance and Clyde Martin were Thursday evening dinner guests at the home of Mr. and Mrs. Clay Biles. The dinner was in honor of Mr. Biles' birthday anniversary.

HOT BREAKFASTS FOR CHILLY MORNINGS

Breakfasts that are monotonous to prepare are bound to be monotonous to eat. It's fun to try something new once in a while—for example:

Sausage and Apples

Good for dinner or for cold morning breakfasts is this dish, which I like particularly well because I can cook it on one burner of my electric range:

1 pound of sausage, either bulk or stuffed

4 cupfuls of sliced apples

1 tablespoonful of brown sugar

¼ teaspoonful of nutmeg

Form the sausage into cakes, if bulk sausage is being used. Place in a cold frying-pan, and heat until cakes are brown. Turn, and spread the sliced apples over all, sprinkling with the sugar and nutmeg. Cover and cook slowly 15 to 20 minutes, or until apples are done. If too much fat cooks out, pour some off. Arrange apples in center of a hot platter, and surround with sausage cakes. This is equally good with pork chops or ham, and the procedure is the same. Serves four.—Mrs. A. L. Van V., Wenatchee, Wash.

"New Deal" Brings Sixteen Millions to State in First Year

Oregon residents received approximately \$16,000,000 federal money the past year under President Roosevelt's recovery program.

A survey of federal relief agencies reveals that more than \$7,000,000 wages went to workers on projects involving expenditure of approximately \$60,000,000 federal funds.

Intangible benefits are considered more or less conjectural, even controversial.

Almost 110,000 persons have been re-employed in Oregon under NRA, CCC, PWA, CWA, AAA, and HOLC, these agencies report. At its peak the civil works administration provided 27,107 jobs. From November 30, 1933, to February 22, 1934, CWA projects provided 6,423,300 man hours of labor and \$4,079,288.34 payroll.

Oregon CCC camp activities provided 22,408 men with work and \$3,235,431 pay. The United States forest service values the civilian conservation corps accomplishments in Oregon at \$4,574,275.

On the estimate of two persons hired for each of the 26,000 re-employment agreements, signed the NRA was instrumental in returning an estimated 52,000 persons to work. At minimum code wages the annual payroll would be \$39,208,000 for those employed.

Some firms did not enlarge forces under the NRA while others added as many as 252 employees. Better than 98 per cent of the employers are operating under the more than 200 codes, it was estimated.

PWA projects have employed only 7390 persons. Thus far approximately \$48,000,000 has been allocated.

YES YOU CAN SAVE ON YOUR ELECTRIC BILL

Eyestrain is dangerous and glasses are inconvenient.

A wash board is hard on clothes but you can save 3c to 5c a week on your electric bill.

BUT.....

nothing else you can buy will give you as much comfort, good health and convenience as electricity. Keeping your toaster on the shelf an entire month would save less than enough on your electric bill to buy one gallon of gas for the car. When you are away in the evening, a dark house is an invitation to burglars. One light left on costs less than one cent an evening and is excellent burglar insurance. The difference between an abundance of light for safe, comfortable seeing anywhere in the living room, for all of the family, and one small light around which everyone tries to crowd, would save less than enough on the electric bill to take the entire family to the movies once. Yes, you can save on your electric bill... but at what a sacrifice!
