LUMINALL

is Economical

The paint that is odorless—

dries in 40 minutes!

Most people use Luminall because it gives more beautiful decorative effects; and wears and cleans better.

But it is truly an economical paint. When you buy a gallon of Luminall, you add ordinary drinking water to it, giving 1 1/2 gallons of paint.

Then, remember one coat absolutely covers. That's a big saving in labor and paint costs.

We ask you to try Luminall.

SAMS VALLEY NEWS

Sympathy of the community is extended to the Elmer Wright family in the loss of their son Gerald who passed away at a Medford hospital last Friday. He had been ill and unable to attend school for some time.

Nelson Oden is confined in the hospital with a fractured hip, received when the loaded wood truck in which he was riding overturned down a steep bank. Both he and J. L. Rowe, driver of the truck were thrown out and rendered unconscious by the impact. Mr. Rowe regained consciousness first and summoned neighbors who helped remove Mr. Oden to the hospital. Mr. Rowe was bruised and shaken up but is recovering at home.

Walter Cota who has been visiting his parents here returned to Klamath Falls Saturday where he has employment with a trucking concern.

The boys basketball team have received their new suits and wore them in the game with Williams creek Friday evening. The jerseys are gold and the trunks are blue satin. The coach hopes the boys can play as good as they look this year.

The ladies club met at the school club rooms last Thursday when a shower was held for Mrs. Lewis Dusenberry. Among the gifts was an entire set of beautiful dishes, many pieces of glassware, embroidered pillows and a number of pieces of beautiful linen. Mrs. Rose Crawford and Josephine Cota were hostesses and decorated the tables with a wedding cake, miniature bride and groom and slowly burning tapers. The teachers were all invited for the refreshment hour. Next club meeting will be with Mrs. Susan Koger and something interesting is planned for all ladies present.

A dinner is planned for Thanksgiving day at the school house. The entire community is invited to come with well filled baskets and enjoy the day. The community dinners have not been held the past few years but enthusiasts hope to revive the custom of each cook trying to outdo the other with good things to eat. All of us remember the groaning tables before the feast and after it the groaning people but we all had a good time and look forward to Thanksgiving day this year.

Senior Class To Present Play Nov. 24

Gold Hill will entertain royalty at the high school gymnasium this evening, November 23, when "The King Rides By" and the Prince Comes to Visit the Dorset Home. All who wish may meet the Prince by coming to the senior play presentation that evening.

"The King Rides By" is a Row Peterson comedy drama of outstanding merit, its test-performances on the Pacific coast being unusually successful. It is an entertaining story about the higher social class and the underworld brought together by a diamond necklace. Among the socialites are the Baroness Jones Dorset Daguerre Von Eschenbach who is trying to get her daughter, Valeria, married to the Prince who is visiting Judge Dorset. The Baroness is Judge Dorset's former wife, which further complicates the picture. Four criminals, Cash, Stuff, Old Duke and Lil, unite for their mutual benefit—but the benefit gained is not what you, or any but one of them, expect.

Rehearsals for the play have been in progress for the past three weeks. Miss Sharp, director, has announced the cast as follows: Judge Dorset, Harry Fredrick; Cecily Dorset, Mary Force; Baroness Von Eschenbach, Maxine Hollifield; Deborah, Delores Drennen; Hal, Ray Blair; Simmins, Ross Turpin; Stuff, Jack Martin; Loranda, Edna Dunlap; Katherine Wells, Catherine King; Captain Wheatly, Lyle Thompson; The Prince, LaVern Dungey.

Tickets will be on sale the last of this week. The prices are 10c for the children's matinee, 15c for children at night, and 25c for high school students and adults.

The curtain will rise at 8:15 p. m.

An impromptu program, with Marjorie Penn as master of ceremonies, added to the evening's fun.

Among these were tap dances by Bud Snyder, Carl Southwick and Betty Phillips; vocal solo by Mrs. L. T. Cook; xylophone selections by E. B. Knapp and a song by a group of girls.
