## FLAVORED SUGAR FOR AFTERNOON TEA

Loaf sugar can be flavored with either lemon or orange and then be kept in a jar which is covered tightly.

Wash the rind of the orange or 1 lemon and wipe it dry, and then rub them over the entire surface of the lump of sugar.

This will sweeten as well as flavor the tea.

## RECIPES

### Estelle's Cake

- 2 EGGS
- 1 cup sugar
- 1/2 cup milk
- 1 tablespoon of butter
- 1 cup of flour
- 1 teaspoon baking powder

Mix the egg and sugar. Heat the milk and butter together until luke-

### NEWS OF PICTURES & PLAYERS

The talent school at Hollywood is an important source of talent to the movies. Today practically every studio has a "sleeper list" of contract players, who, paid very little, pose for "still" pictures, receive dental and medical attention, dramatic training and are schooled in the matter of glamour. From these as they show promise players are drawn.

In a recent dust storm scene the illusion was created by a battery of high speed airplane propellers. Punters earth was used for dust. This was mixed with straw and miscellaneous debris to add realism to the scene.

James Dunn is a licensed airplane pilot.

In the neighborhood of Hollywood are many what is known as "Nut-Burger Stands," where the specialty is a hamburger in which nuts are ground with the meat.

### Oregon-Washington Pears Go All Over The World

Where do Oregon-Washington pears go?

"Everywhere," answers the Oregon-Washington Pear Bureau, as a recent checkup of the members' pear wraps requesting recipe and jingle books have come from every corner of the globe.

Practically all of the 48 states in the United States have had pears from Oregon and Washington, with the heaviest requests for the Bureau booklets coming from New York, New Jersey and Pennsylvania; and considerable requests from Colorado, Connecticut, Illinois, Iowa, Louisiana, Massachusetts, Ohio and Wisconsin.

From foreign countries the biggest requests came from England and France, followed by Sweden, Holland, and Canada. Conspicuous by her absence is Germany, where imports of foreign pears is barred.
