

**FOOTS CREEK NEWS**

(By Mrs. Marton Lance)

Bonneys Grill near the Alaska Auto Park that has been closed since the death of the former owner, Frank Bonney, has been leased by Mr McDonald of Glendale, Oregon

and will be opened for business Saturday night.

Mr and Mrs Frank Morgan and son Sidney and Mrs Morgan's mother Mrs Aldrich from near Seattle arrived Thursday at the home of their daughter and husband Mr and Mrs. Norman Baxter for a weeks visit here and with another daughter Mrs Stanley Pratt of Medford.

Mr and Mrs Tom Galligar who re-

turned recently from a five months trip south and east were Sunday afternoon callers at the homes of George and Marion Lance. They report a wonderful trip, especially enjoying visiting the Carlsbad Cavern, National park in New Mexico. The day they were there 400 people from 32 states and 4 foreign countries made the trip. They ate lunch 750 feet under ground. They were all seated on stone seats. There was total darkness for 1/2 minute, far away a men's quartet sang "Rock of Ages" and as the hymn ended a faint light in the distance shown on the beautiful stalagmite which made a picture never to be forgotten. They did encounter some very disagreeable weather. In southern California during the freeze the smudge smoke was so thick autos could not be driven without lights. In Iowa they witnessed two blizzards that lasted for three days each. The ground was covered with several inches of snow. They are now staying on N Street in Grants Pass.

Mr and Mrs T Davidson and children Dorothy and John of Coquille, Oregon who are old friends of Mr and Mrs M C Boomsliuter were Saturday night guests at their home. This was their first visit to southern Oregon and they were very favorably impressed. They drove to the House or Mystery on Sardinia Creek and also planned to stop at the Oregon Caves on their return home.

Mr and Mrs Earl King of Selma spent Sunday at Riviera Auto Park. They were accompanied home by their four daughters, Bertha, Catherine, Evelyn and Ruth who have been staying here during the school year. The three youngest attending school at Gold Hill, Catherine being a member of the graduating class.

Mr and Mrs Ernest Cramer of Hemet, California, arrived Tuesday to be the guests of his brother Mr and Mrs Harry Cramer and family of Birdseye Creek.

Mrs Otto Reif of Riviera left Monday for Portland and Eugene where she will spend several days visiting friends.

Mr and Mrs Glenn Hewett and daughter Merideth of Klamath Falls who were called here by the death of Mrs Hewett's brother Clyde Martin left for their home Saturday. They called at the George and Marion Lance homes Monday and Thursday.

Mrs Leslie Carr and two children from Grave creek were in the community over Decoration day. They also visited Mr Carr's mother, Mrs Frances Lewis and other relatives.

Mrs Charles Magerle and son Ralph of Rogue River spent Tuesday afternoon calling on Mrs Marion Lance and her mother Mrs. Stead. They have exchanged their property on Evans Creek for a ten acre tract at Galt, California, near Sacramento and are leaving Monday morning for their new home. The change is being made mostly due to Mrs Magerle and their sons health. Sunday callers were Mrs Pauline Wahl from Riviera and grandson Charles P Champlin Jr of Medford, also Mr and Mrs Carl Magerle and children Richard and Bessie from Rogue River.
