## Revolution ...on Main Street

GIVE a thought to Main Street as you scan today's headlines! All the world's excitement isn't in Europe. For, in our town... and towns like ours clear across the country... there's a daily revolution going on. Changes in dress styles and food prices... the rise of a hat crown... the fall of furniture prices—these matters vitally affect our daily living... And the news is ably, fully covered in advertisements. Here, in concise, meaty form, makers of the world's goods tell you what's new, what's a good... and how to make your dollars S-T-R-E-T-C-H.

Smart people who like to be up-to-the-minute in living and current events, follow advertisements as closely as headlines. They know what's doing in Europe and America... but they also know where money buys most!
