DON'TS
Safety Is Watchword
For a Merry Christmas

Here are a few "don'ts" for
Christmas, recommended by safety
authorities:

1. Don't give small children toys involving alcohol, kerosene or gasoline engines. They may tip over and set the house on fire.
2. Don't permit small children to run electrical toys without the supervision of an adult.
3. Don't permit small children to use toy movie projectors without using safety film which burns slowly. Ordinary film burns explosively and gives off smoke and fumes which may cause death if inhaled.
4. Don't use candles or light extra fires without being extremely careful, especially in regard to candles on trees.
5. Don't wear inflammable costumes, especially Santa Claus beards, without fireproofing them.
6. Don't use inflammable ornaments and evergreen decorations.
