EVIDENCE

"Frank," said the mother to her 11-year-old son, "how did you enjoy that little pie I made and put in your lunch yesterday?"

"I gave it to my teacher," explained Frank.

"That was very generous of you," said the mother. "Did she eat it?"

"I guess she did," answered Frank; "she wasn't at school today."

Well Acquainted

The pastor had just returned from a visit abroad, and a big crowd had collected to meet him. Beaming with pleasure, the good man got up to speak.

"My dear friends," he started, "I will not call you ladies and gentlemen, because I know you too well."

Twin Names

"What are the new twins called?"

"Henrietta."

"Not both the same name?"

"No, certainly not. One is Henry and the other is Etta."

Life's Way
Life isn't cruel. It hurts, but it heals the hurt. If you let it have its way with you it brings peace and happiness in the end.

When your child BITES HIS NAILS

It may be a Danger Sign!

It isn't always "nerves" that makes a child bite his nails. Often it's because of a reason few mothers suspect - WORMS!

If, along with nail-biting, there are signs of uneasy stomach, finicky appetite, fidgeting, restless sleep, take heed! These may be the symptoms of round worms, a nasty infection that can cause real distress.

JAYNE'S VERMIFUGE is the best known remedy in America for expelling round worms. It has been used by millions of mothers, for over a century, and is backed by the most modern scientific study.

JAYNE'S VERMIFUGE has great ability to drive out large round worms, yet is tastes good and acts gently. JAYNE'S does not contain santonin. If there are no worms it works merely as a mild laxative. Ask for JAYNE'S VER-MI-FUGE at any drug store.

"All the Traffic Would Bear"

There was a time in America when there were no set prices. Each merchant charged what he thought "the traffic would bear." Advertising came to the rescue of the consumer. It led the way to the established prices you pay when you buy anything today.
