NATIONAL RETAIL GROCERS WEEK, OCTOBER 20 - 25

From Maine to California, from the Gulf to the Great Lakes, a great army is operating in the defense of America. This army is made up of America's retail grocers . . . men who occupy a front line in our battle for national welfare. They are the ones, part of a vast, efficient system, that puts the finest foods in the world on your table . . . they're the ones who are defending America's health—without them, without health, no gigantic national defense program such as is in progress now would be possible! Good food builds a strong nation. Your grocer, and those with whom he cooperates, make good food available to you, and at prices as reasonable as economic conditions permit, Salute your grocer this week (October 20 to 25) by visiting him, partaking of his special Grocer's Week values, by getting acquainted with America's first line of defense!
