It might be of interest to parents to know what the dues of a Cub Scout are used for during the first year of cubbing. The following list is for one boy who was a member during the past year. He paid in dues of \$1.25. Out of that the registration fee of 50c was paid, parents' cub book, 15c, Wolf cub book, 20c, Bobcat pin, 5c, Bear Cub book, 20c, Wolf pin, 10c, one Gold Arrow, 5c. Ten Ways To Kill a Good Town

1. Don't attend any civic meetings and if you go, arrive late.
2. Never accept an office. It is easier to criticize than do things.
3. Do nothing more than absolutely necessary, but when others use their ability to help matters along, howl that the town is being run by a clique.
4. If you have a suggestion to offer, do not think of going to the authorities in charge, just tell to the world at large.
5. Get "sore" if you are not appointed on a committee, such as the park board, cemetery board, or public relations committee; but if you are appointed do not attend committee meetings.

6. If asked by the chairman of a business men's club to give your opinion on some matter, tell him you have nothing to say. After the meetings tell everyone how things should have been done.
7. Get good and mad at some members of the organization and quit attending any meetings.
8. Be pessimistic about every proposal to expand trade and promote the interests of the town.
9. Watch the proceedings of the local school board and town council, and point out the errors of their ways to everyone who will stop long enough to listen.
10. Encourage your wife and relatives to do their shopping out of town.—Exchange.

Ski Club to be Organized This Saturday Evening

Since the activities of the Gold Hill Ski club are not limited to skiing, but will follow the seasons and the inclinations of its members, a most cordial invitation is extended to everyone interested to attend the first meeting, to be held at the Linsley Dorman residence. The time has been changed to Saturday evening at 7 o'clock instead of Friday night as previously announced.

Among the foremost athletic authorities in Gold Hill is D. R. Hendrickson who states that a gold pan can be the means of more than a little fun, provided there is a nice long hill nearby covered with pine needles. "The Hot Seat" in other words — for those members who can't stand the cold. Suggestions along these lines are welcomed by the club, since, as stated above, activities are not limited to skiing, but rather include everything from bragging about the fish you caught (J. R. Ritter, please note) to swatting mosquitoes in the summertime.

Don't forget the cider and doughnuts which the Dormans are serving, and which are free, even if club membership isn't. Fifty cents will pay your dues for a full year, so bring it with you as well as a wife, son, daughter, husband, grand ma, grandpa, boy friend or gal friend!
