## THANKSGIVING

This holiday is ours! As you bustle about and plan this year's Thanksgiving dinner, remember this is the day we give our thanks for the bounteous harvest of the year, for the peace and the prosperity, singularly ours. Remember, too, and cherish the foresight of the Pilgrims who had the courage to start carving out this land of ours!

Yes, this holiday is ours, so let it be filled with the spirit of the day and wholehearted thanks. Some foods are synonymous with Thanksgiving without which the day wouldn't be complete, but don't get into a rut about having the same dinner every year, vary the trimmings a bit and fascinate the family. Thin wisps of croutons will intrigue if you serve them in the oyster stew.

### \*Oyster Stew.

(Serves 6 to 8)

1 pint oysters  
4 tablespoons butter  
1 quart milk  
Salt and pepper

Put cleaned oysters, oyster liquor strained, butter and seasonings in a saucepan and simmer gently until oysters curl at the edges. Heat the milk, add to the oysters and serve at once.

Has the family become a trifle weary of your old stuffing? Then try this savory new one, with yummy sausage flavoring which is right at home with either turkey, goose, duck or chicken. The sausage stuffing will do a proud job with stuffed veal, pork or shoulder of lamb:

### \*Sausage Stuffing.

(Makes 6 cups)

4 cups soft bread crumbs  
½ cup butter  
3 tablespoons chopped onion  
½ teaspoon salt  
Pepper  
½ teaspoon sage or thyme  
½ cup chopped celery  
2 cups sausage in the bulk

Melt butter, add onion and cook until it becomes yellow. Add bread crumbs mixed with seasonings. Mix in chopped celery and sausage. Cook 2 minutes, stirring constantly.

### \*Turkey.

Small birds are allowed 25 to 30 minutes per pound for baking, large birds, 22 to 25 minutes per pound. Your oven should be set at 325 to 350 degrees.

### \*Sweet Potato Puff.

(Serves 10 to 12)

4 cups mashed sweet potato  
2 tablespoons fat  
1 egg

## LYNN SAYS:

To clean the turkey, singe it first, then remove the pin feathers with tweezers. Scrub the outside with water. The inside should be wiped with a damp cloth. If there is any foreign odor, a half teaspoon of baking soda may be added to the water with which the turkey is scrubbed.

Allow 1 pound of turkey to each person. Allow 1 cup of stuffing to each pound of turkey. When stuffing, be sure to put some in the neck for this will give the bird a good full shape. Fasten the skin from the neck to the back. Stuff the cavity but do not pack since dressing swells.

For good roasting and easier carving truss the bird, by inserting a long needle through breast, through rib at the base of the thigh. Draw the cord through and bring the string across by pulling the cord through the openings formed by folding the wings triangularly onto the back. Tie the cords.

Insert the needle through the drumstick joints, bring the cord around the tail, through the backbone, and tie securely. Remove cord before serving.

## THIS WEEK'S MENU

- \*Oyster Stew Croutons
- \*Roast Turkey
- \*Sausage Stuffing
- \*Cranberry Orange Relish
- \*Sweet Potato Puff
- \*Brussels Sprouts
- \*Hot Rolls
- Celery Curls Pickled Beets
- \*Pumpkin or Mincemeat Tarts
- Hot Coffee
- \*Recipe Given

Salt and pepper  
½ cup milk or ¼ cup evaporated milk and ¼ cup water.

Add the melted fat, seasonings and milk to the potatoes. Beat the egg separately, add yolk first and fold in white to the potato. Place in a buttered casserole dish, set in a pan containing hot water and bake 15 to 20 minutes at 375 degrees until light and puffy. Marshmallows may be placed on top of casserole during last 7 minutes of baking time. With all the soft food of the meal, you'll want something crispy and tart as a relish.

### \*Cranberry-Orange Relish.

(Serves 12)

2 cups cranberries, cleaned, washed  
2 oranges, whole  
1 cup sugar

Grind all the fruit together by putting through a coarse food grinder. Mix the ground fruit with sugar and let stand about an hour before serving.

### \*Brussels Sprouts.

Brussels sprouts lend a bright touch of green when served plain with butter or crumbled, cooked chestnuts. Pick the dead leaves off the sprouts, then soak them in cold salted water for ½ hour. Wash and put in boiling water and let cook until just tender, about 15 to 17 minutes. Drain, reheat, and serve after seasoning.

### \*Magic Yeast Rolls.

3 cups bread flour  
1 teaspoon salt  
½ cup butter  
3 eggs  
1 teaspoon vanilla  
½ cup sugar (rolled in later)  
1 tablespoon sugar  
1 cup chopped nuts  
½ cup milk  
¼ cup hot water  
2 packages granular yeast

Sift flour. Add to 1½ cups of flour the salt and shortening. Combine as for pie crust. Combine milk and hot water. When luke-warm, add yeast and 1 tablespoon sugar. Combine with first mixture; beat until smooth. Cover and let stand 20 minutes. Add eggs, vanilla and the rest of the flour. Stir until it becomes a smooth, sticky dough, but stiff. Tie dough into a clean cloth (wring out in cold water first). Drop in a pail of cool water. In an hour the dough will rise to the top. Remove and turn on a platter and cut into pieces the size of an egg. Roll in sugar and nut mixture. Twist into figure eights. Shape and turn onto a greased pan. Let stand 5 minutes and bake 10 minutes at 425 degrees F.

Remember how mother used to make her pumpkin pie and tarts the day before and how good they always tasted after they stood in the cool pantry overnight? Why not try it this time? It'll save you a great deal of fuss on the big day itself besides giving the tarts a chance to mellow and ripen for extra good flavor.

### \*Pumpkin Filling.

(Makes 1 large pie or 10 to 12 tarts)

1½ cups prepared pumpkin  
½ cup brown sugar  
1 teaspoon cinnamon  
½ teaspoon ginger  
1 teaspoon salt  
2 eggs  
1½ cups milk

For fresh pumpkin, steam or bake until soft and put through a sieve. Add remaining ingredients in order given. Turn into crust lined pie tin or tart pans and bake first in a very hot (450 degrees) oven, then reduce temperature to 325 degrees and bake 25 minutes.

## NAZI SABOTAGE

The man to watch in Europe today—next to Hitler—is a suave and charming diplomat in Turkey named Franz von Papen. It is always a significant omen when Hitler sends Von Papen to a country. It means he has dire and potent intentions regarding that area.

It was Von Papen who went to Austria as ambassador to soften it in preparation for the Nazi occupation. It was Von Papen who 26 years ago tried to do the same thing here. And now, with weather getting cold in Russia and Hitler running lower and lower on oil, a Nazi squeeze on Turkey becomes almost inevitable. To prepare for it, Ambassador Von Papen has been working overtime in Turkey.

Almost forgotten is Von Papen's attempt to soften and sabotage the United States during the last war. But his operations here indicate the lengths to which he may go in Turkey to bring that country into the Axis.

In 1915, Von Papen was German military attache in Washington when Count Johann von Bernstorff returned from England with a satchel containing \$150,000,000 in German treasury notes.

Von Papen, then in Mexico City, hurried north, and immediately began organizing a network of spies.

### Invasion Via Canada.

After selecting his agents carefully, Von Papen laid the following plans:

No. 1. To invade Canada through British Columbia with the aid of German warships in the Pacific and German reservists in the United States. This plan was vetoed by Von Bernstorff.

No. 2. To blow up the Welland canal. This scheme likewise was abandoned, because the canal was too well guarded.

No. 3. To blow up Canadian railroads in an effort to prevent transportation of Japanese troops through Canada. (The Japanese were fighting with the Allies.)

No. 4. To blow up the International bridge at Vanceboro, Maine. This was accomplished through an agent named Werner Horn.

Von Papen was so industrious and unscrupulous that he over-reached himself, and Wilson demanded his recall. But when he reached home, both he and Bernstorff were awarded decorations, and both promoted. Subsequently, Von Papen became chancellor of Germany and he took part in the conspiracies which brought Hitler into power.

## RUSSIAN REQUEST—A DRIBLET

Averell Harriman's confidential report on Russian requests for aid was vastly different from British requests after Dunkirk. In comparison with the British, the Russian orders seemed a mere dribble.

After the Lowlands debacle, the British had to start from scratch, having lost practically all their armored equipment and most of their field artillery. The Russians have lost tremendous quantities of material, but judging from their relatively modest requests, they still must have a lot left.

One of the chief things they asked for was 75 and 105 mm. guns, which, luckily we can supply. Production figures are a military secret, but these cannon are now rolling off assembly lines in quantity. The Russians also asked for machine guns, which we can furnish also in large numbers, since machine gun production is at a high level.

One of the biggest, and pleasantest surprises to Harriman was that the Russians do not need machine tools, at least for the present. This took a big load off his mind, as both the U. S. and Britain have few tools to spare right now.

Note: U. S. military experts consider lack of co-ordination between the three Russian armies to be one of the principal reasons for the break through in the center against Moscow. Although there has been a shift of Russian generals, doubt still exists about the co-ordination of the three armies under a central command.

## INFLATION CURE

Here is the inside lowdown on Price Administrator Leon Henderson's own private preventive against inflation.

He disclosed it to a group of Charlestown, W. Va., business men during a speech on the dangers of runaway prices. One of the audience asked Henderson how a business man could best protect himself against inflation.

"Work like hell," was the prompt reply, "and go to church regularly."

## MERRY-GO-ROUND

Introduced to a British production expert who had just completed a survey of U. S. defense plants, OPM boss William Knudsen took him off his feet by inquiring "What impressed you least?"

A sports commentator, sponsored by a shaving cream, called the duke of Windsor in Baltimore, inviting him to appear as guest star on the radio program, the money to be paid to British charity. The duke declined—even before he was told the offer was only \$100.

## When McKinley Turned And 'Brought Up' Mother

A short while after her son had assumed the presidency, Mrs. McKinley was interviewed.

"What would you consider most important in raising a child to be President?" asked one reporter.

"That's a difficult question," replied Mrs. McKinley. "There are so many things to teach boys. They should be taught to be honest, reliable, fair." Then she added: "But I didn't really bring my boy up to be President. I brought him up to be a good man. That's all any mother can do. First thing I know my son turned around and began bringing me up to be the mother of a President!"
